
SOME OF YOU WITH extra-long memories may vaguely recall that about a year ago we had our VW stolen.

The bug was found a couple of days later in the hills back of Monte Sereno minus a number of essential parts, to wit the engine, the rear wheels, battery, etc.

Naturally, we described the incident to some length and with considerable detail in this column at that time.

The VW was stolen from the parking lot on the West Valley College campus in Saratoga where we had been attending the annual meeting of the citizens advisory committee of the college of which we have been a long-time member.

The committee just recently held its annual meeting for the current year.

This time the group met in the board room at the Campbell campus.

Both Jim Hardy, college prexy, and Bill Deal, coordinator of community services, who were in attendance at the advisory committee meeting last week, recalled the incident when our little VW had come up missing the year previously at a similar session.

We recall that both of them had been very cooperative although somewhat embarrassed because the theft had occurred on the picturesque Saratoga campus.

Although neither Jim nor Bill volunteered to go out and look, they were both highly confident that our car would be safe this year, inasmuch as the meeting was being held on the Campbell campus.

We are happy to report that they were right.

Our car was where we had left it...all intact.

-0-

HOWEVER, IT IS UNfair to compare the Saratoga campus with the "temporary" Campbell campus of West Valley College, merely on the basis of vulnerability as to thefts of Volkswagons.

Obviously there are a number of other differences.

For example:

Saratoga is a brand new campus, in an attractive setting, with beautiful, shiny new buildings, and with a wide expanse of land and a VERY permanent status.

The Campbell campus, on the other hand, was antiquated to start with, inasmuch as the classrooms of the old Campbell Grammar School failed to meet the so-called earthquake safety standards. The Campbell campus is located on a small parcel of land in the downtown sector with "portable" classrooms predominating and with a VERY temporary status.

It is this "temporary" thing that sort of bugs us.

And has for eight years that the college has been in existence.

Indications are, according to all sound projections, that the Campbell campus will be "temporarily" needed for at least another 10 years.

No one has "projected" farther than that.

But two decades is quite a spell to be "temporary" in anything.

-0-

THERE ARE MANY RAMifications to the fiscal operation of the junior college of which most of us are unaware.

Therefore, we may be grossly unfair in implying that the college authorities should do something about the temporary status of the Campbell campus after all these years, without giving the college people a chance to explain their problems.

However, during the past eight years, the governing board has really not given an adequate explanation, in our opinion, of what the future holds for the Campbell campus.

And it is not because the

PUBLIC HEARINGS SET

Council defers vote on controversial Amato property plan until Feb. 14

Final vote on the ordinance that will change the present zoning on the 31-acre Amato property to allow a town house single-family development was deferred by the City Council on Monday night to Feb. 14.

By a unanimous vote the Council continued the final reading of the ordinance until after the Planning Commission has conducted public hearings on the General Plan affecting the area in which the Amato property is located. The parcel lies between Campbell and Latimer avenues just west of the San Tomas expressway.

Dale Scott, chairman of the Planning Commission, reported that the Planning Commission, which has been holding public hearings throughout the city on the review of the General Plan, would cooperate in setting the hearings on the area as soon as possible.

HEARING SET

At the hearing that was held last night at the Rosemary School relative to the Hamilton Ave. area, it was announced that three hearings would be scheduled on the area in which the Amato property is located.

The hearings will be held at Coventry School with the first one set for Wednesday, Feb. 2. Another hearing will be at the same location on Tuesday, Feb. 8, and another before the key vote on Feb. 14.

Under the General Plan of the city, the 31-acre Amato land is indicated as a combination of low, medium and high density. However, the zoning on the entire parcel still remains as R-1 (single-family).

Residents in the area have maintained that the zoning should not be changed. They have vigorously objected to the site plan that was presented by Dura Style Homes, headed by Mike Engdol.

The site plan for the development of the parcel necessitates a zone change to P-D (planned development) from the R-1 now in effect.

The plan of Dura Style Homes closely follows the density as allowed in the General Plan. In fact, the firm spokesmen point out, the density in their plan is less than that which the General Plan outlined.

PUBLIC HEARING

After a stormy public hearing on January 10, the City Council by a 3-2 vote unofficially indicated approval of the zone change (and site

Norman Paul seeks election to Campbell City Council

NORMAN PAUL
---files for Council

Norman Paul, 50, who served as president of the Campbell Chamber of Commerce last year and also as vice-chairman of the Planning Commission, this week filed his nomination papers for the Campbell City Council.

The municipal election will be on Tuesday, April 11, and Thursday, Feb. 3, is the deadline for filing. Terms of three councilmen' Dean Chamberlin, Bill Smeed and Dr. Ed Rogers are expiring.

Dr. Ed Rogers, a professor at San Jose State, who has served three terms on the City Council, has announced that he will not seek reelection.

Chamberlin filed his nomination papers last week. Councilman Bill Smeed has also indicated that he will seek reelection.

Paul has been a resident of Campbell since 1955 and with his wife, Chairmaine, and three sons, Frank, James and Eric, resides at 44 El Caminito. He is co-owner of the Plaza Theaters located in the Campbell Plaza Shopping Center.

Don Hebard is chairman of Paul's campaign committee.

In announcing his candidacy, Paul made the following statement:

"The people of Campbell have displayed an attitude of self-determination in city government during recent years in order to assure themselves of the services, facilities, planning and programs responsive to their voice.

"The people have done this by approving civic bond issues in 1967 and 1969 and by their participation in public hearings relative to the city's general plan. The people have also participated in such community-wide activities as the Joseph V. Gomes mini-park, the city hall clock tower, in clean-up campaigns and in tree-planting programs.

"I have been directly and personally involved in most of these projects and I have been inspired by this spirit of community interest and pride, so seldom evident in other cities.

"Because of my exposure to our community's thrust and goals, I sincerely feel that I can offer the leadership to guide this thrust and to achieve these goals.

"The city government of Campbell must continue to expand its efforts to be representative of the people.

Board meets on Thursday

Campbell Union (elementary) School Board will meet this Thursday, January 27, at 7 p.m. in the administration office of the district and a report on the progress of the tax election committee will be made.

On February 29, the electorate of the district will be asked to approve a 50-cent hike in the tax rate from $2.55 to $3.05.

The agenda for the board meeting features 11 letters that have been sent to the board from teachers' groups, home and school clubs, central labor council and citizens, including a joint effort from Jim Gilliland, former trustee, Hank Mestice and Gordon Abbott.

The board will also hear a progress report from Fred Peterson, administrative assistant, on the City of Campbell-school district neighborhood park program.

A news report this week revealed that Neal Royer, former superintendent of district and now with Atascadero school system, has filed a $1 million plus complaint in the Superior Court against Ralph J. Steinberg, Dr. Richard H. MacQuiddy and Mrs. Eleanor Graham-Armstrong, trustees.

RESIGNS---Ed Pack, of 790 Monica Lane, who has served for six years as a planning commissioner, on Monday submitted his resignation to the City Council effective Feb. 1, 1972. Pack's term would have expired in August, 1973.

Pack, an acoustics expert with his own firm, Edward L. Pack Associates, based in Los Altos, in his letter of resignation said that demands of expanding consulting and engineering business made it difficult to devote adequate time to city planning activities. He added that he had enjoyed his association with the city and hoped that he had made a small contribution toward the orderly development and progress of Campbell.

The City Council accepted his resignation with regret and invited interested citizens to apply for the position.

FROM CITY COUNCIL

Plans for Rincon Park get go ahead signal

Development of the city-owned Rincon Park can now proceed on schedule as a result of City Council action on Monday night approving an agreement with Arutunian/Kinney Associates, landscape architects.

Under the agreement, at maximum cost of $17,840, the city will receive detailed plans and specifications for improvements at the park following the master plan.

The agreement will allow the city to bid and award construction contracts in two phases and will include plans for grading, planting, irrigation, play areas and other projects.

JAYCEES' TREES

In a related matter, the Council accepted from the Campbell JayCees the 16 trees that were planted in the park as a result of the JayCees' green Christmas tree project in which residents purchased live trees for Christmas which were subsequently picked up and planted in the park by the JayCees.

Dave Valkenaar, JayCee president, who made the presentation also announced that Cambrian Nursery had donated 100 trees that are to be planted in the park.

Valkenaar also called attention to the ambitious project that the JayCees have undertaken to construct a play area in the park estimated to cost about $30,000.

Valkenaar also introduced Walter Fontes and Larry Townsend, who headed the JayCee green Christmas tree project.

CITY HALL TREES

Still in the landscaping field, the Council heard Lyle Fredrickson, of the landscape architect firm that designed the civic center plan, suggest that a clump of three trees be used to replace the one Monterey pine that had to be removed shortly after the city hall was completed.

Fredrickson estimated that the trees would cost $300 which would include the planting and guarantee. The Council referred the matter to the Parks and Recreation Commission for recommendation.

The Council on Monday

(Continued on Page 2)

Filing ends February 3

Filing for the three seats that are open on the City Council in the April 11 election will close at noon on Thursday, February 3, City Clerk Dorothy Trevethan reports.

Three candidates, Dean Chamberlin and Bill Smeed, incumbents, and Norm Paul have filed to date. Rusty Hammer, 19-year-old former chairman of the Youth Commission, has also taken out papers, the city clerk said.

Bill Smeed files papers for reelection to Council

BILL SMEED
---seeks reelection

William S. (Bill) Smeed, 42, an attorney who has served two terms on the City Council, and a term as mayor, this week filed nomination papers with City Clerk Dorothy Trevethan for a third term.

Smeed, with his wife Beverly and three children, resides at 443 Manchester and is a graduate of Campbell Grammer School, Campbell High School and the University of Santa Clara.

He served on the Planning Commission for four years and was chairman of that body in 1964 when he was elected to the council for the first time.

Two former Campbell mayors, Homer Hyde, of 1279 E. Campbell Ave. and Charles Rose, of 80 E. Hamilton, have signed Smeed's papers.

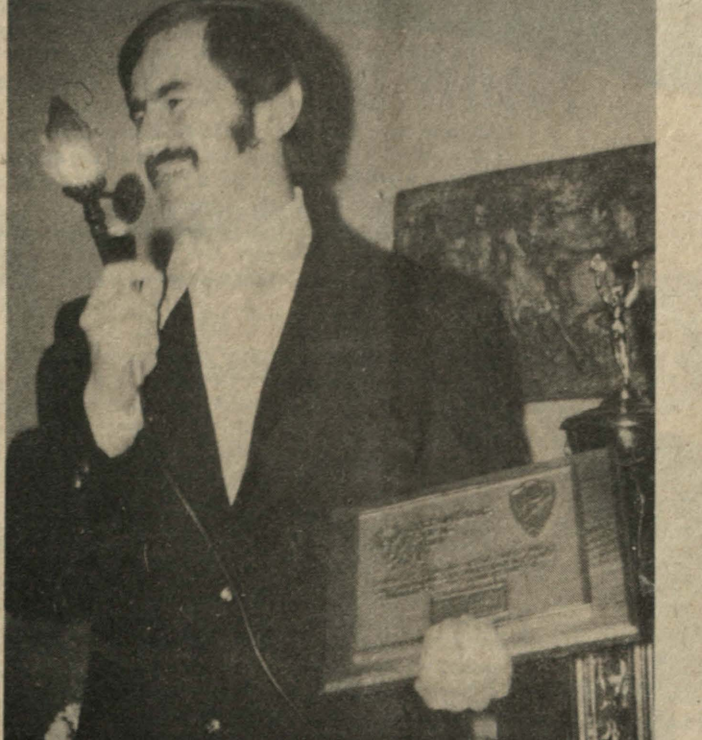
Others included, Kel Young, former Planning Commission chairman of 430 N. Central, Mrs. Madeline Rogers, of 150 Branbury, wife of Councilman (and former Mayor) Ed Rogers; Al Tafoya, 1341 E. Campbell Ave.; Mrs. Kathryn Hyde, 1279 E. Campbell Ave., Mrs. Alice Cummings, 475 N. Manchester; Ralph Cummings, 475 N. Manchester; Mrs. Juanita Young, 430 N. Central and Ken Roberts, 1834 Palo Santos.

In his statement of candidacy, Smeed said:

"As almost a life-long resident of Campbell and with four years of service on the Planning Commission and eight years on the City Council, I am well aware of the needs and problems of my community.

"During my two terms on the City Council, I have seen Campbell "grow up" and become the progressive city it is today.

"I feel that my background as a practicing attorney, plus my exposure as a planning commissioner and councilman, has given me a better understanding of the many ramifications and responsibilities involved in city administration."



THE WINNER!--Len Edholm, manager of the Chamber of Commerce, acknowledges the honor of being named the outstanding young man of the year at the annual Distinguished Service Award Banquet of the Campbell JayCees last Saturday night.

Jaycees name Len Edholm as young-man-of-year

Len Edholm, secretary-manager of the Campbell Chamber of Commerce since August, 1967, was named young-man-of-the-year for 1971 by the Campbell JayCees at the fifth annual "Distinguished Service Banquet" last Saturday.

The annual event took place at Zorba's with Fred La Cosse, news director of KNTV Channel 11 as master of ceremonies with Mayor Norman Mineta of San Jose as principal speaker.

A committee of judges composed of Mayor Ralph Doetsch of Campbell; Mrs. Jeanette Watson, chairman of Campbell Citizens for Beautification and Bob Peck, principal of Campbell High, selected Edholm from a slate of six who had been nominated for the coveted honor.

In addition to Edholm, the nominees included, Dave Valkenaar, president of the JayCees; Ralph Steinberg, an attorney and a member of the Campbell Union (elementary) School District board of trustees; Louis Albanese, school principal; Victor H. Owen III, realtor, and Richard D. Bonnet, Jr., of Varian Associates.

Participating in the award ceremony also was Jack Christian, a member of the Campbell Fire Department, and recipient of the honor for 1970.

Also present was Dale Scott, chairman of the Planning Commission and winner in 1969. Other winners were Carl Kuhn, former administrative aide to the Campbell city manager and now assistant city manager at Pacifica and Bob Dalzell, now of Santa Maria.

The Distinguished Service Award is given each year to the young man, who, in the opinion of the judges, has contributed the most to his community during the past year and has shown outstanding leadership ability.

EMCEES BIG EVENT---Fred La Cosse, news director of KNTV (Channel 11) was the master of ceremonies of the fifth annual Campbell JayCees Distinguished Service Award Banquet.

PRESENTATION -- Mayor Norman Mineta, of San Jose, (right) principal speaker at the fifth annual JayCees award banquet presents Len Edholm, manager of the Chamber of Commerce, the huge trophy symbolic of the Distinguished Service Award. In the background is Jack Christian, Campbell fireman, winner of the 1970 award and Mrs. Mineta.

Editorial

Campbell is lucky

We consider the promotion of Don Burr to chief of police for the City of Campbell an excellent move on the part of the city administration.

The promotion was made by City Manager Bob Stephens with the wholehearted support of the City Council.

While we concede that the actual promotion of Chief Burr was a result of the sad circumstances stemming from the disability of former Police Chief John Morgan, we sincerely believe that Don Burr has all the qualifications to make an outstanding chief of police.

The City of Campbell is fortunate to have a man of his proven capabilities available to head the department.

Chief Morgan became head of the department on January 1, 1960 when he was promoted to succeed Bob Locke, the city's first chief.

As in the case of Chief Burr, Chief Morgan started as a patrolman on the Campbell force and had been a sergeant and was a lieutenant when he was named chief.

We think the citizens of Campbell should take sincere pride in the fact that both Morgan and now Burr were products of the city's own police department. It speaks well for the training and leadership that is generated in "Campbell's finest".

The promotion of Chief Burr to the responsible position as head of Campbell's police department last week followed 11 months in which Burr was the acting chief.

During this trying 11-month period, Chief Burr demonstrated that he was fully capable of heading the department. Despite the distressing circumstances that created the vacancy, the 11 months that Don served as "acting chief" might be compared to an unofficial "probation period" which is in effect generally whenever an appointment is made in a position of high responsibility.

In other words, Chief Burr's "probation" has proved he could do the job and the city administration recognized that fact by the promotion.

We are aware that there may be occasions when it conceivably would have been necessary to "go outside" to find a qualified person to fill such a responsible position as police chief.

Fortunately, that was not the case in this instance and, we repeat, citizens of Campbell should take justifiable pride in that fact.

Chief Burr is well aware of the shoes that he must fill.

The record made by Chief John Morgan in the 11 years of active leadership of Campbell's police department is an enviable one.

We are in no way down-grading Campbell's new police chief when we submit that John Morgan's rapport with the many segments that make up this community was something that we doubt will ever be equalled in this community.

Unfortunately they don't make many John Morgans.

Don Burr will probably be the first to admit that. But we also know that Chief Burr will work at it. We are confident that he will make an outstanding chief.

It is difficult to realize that almost a year has past since Chief Morgan was stricken with a massive cerebral hemorrhage and has been physically disabled and paralyzed all this time.

The promotion of Burr to chief came when Chief Morgan officially went off the city's payroll.

From February 13, 1971 to January 11, 1972, Morgan received his full salary as chief of police. His compensation for the 11 months was based on the accumulation of sick leave, vacation time and compensatory time earned.

Morgan's status as far as retirement pay is concerned is now being determined by state boards. Involved is the question of whether Morgan's disability was job-incurred or not.

Campbell's new chief is 37 years old and has been with the Campbell police department for 15½ years. He started as a patrolman here on October 1, 1956 when he was 22 after a three-year stint in the Marines.

He became a sergeant on January 1, 1959, and was promoted to lieutenant on August 1, 1964 and to captain on January 1, 1968, an outstanding record of in-department advancement.

Chief Burr, in addition, during the same period has earned an AA degree from West Valley College and is presently taking courses at San Jose State leading to his bachelor's degree.

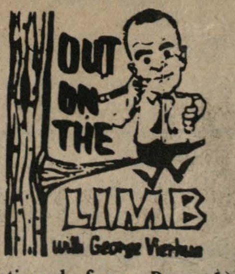
We have been a close observer of police activities in Campbell for a long time.

Your editor has known Don Burr personally for all the time he has been in Campbell. For the same 15 years we have been a staunch admirer of John Morgan and extremely proud of the record that Chief Morgan has made as Campbell's top law enforcement officer.

We sincerely believe that Chief Don Burr is fully capable of carrying on this fine tradition set by his esteemed predecessor.

Or to say it another way, Campbell is just lucky.

MORE ABOUT



(Continued from Page 1)

board has not been asked enough times.

We manage somehow to bring up the question each time the advisory committee meets and we also have a file of editorials on the same subject.

And the City of Campbell has officially submitted the same question periodically. The city's position is that it is difficult to do any concrete planning for the city's future when it is necessary for city planners to always put a big question mark on such a key parcel of ground.

The college people have either been evasive in their answers or have not answered.

We have always thought that there should be a better line of communication established on this issue.

So we keep trying.

But we don't seem to be getting anywhere.

-0-

ONE OF THE PROJECTS that has been submitted to the Citizens' Advisory Committee of West Valley College is for that body to review the 10-year master plan of the college and then make recommendations to the governing board.

As most of you recall, the 10-year plan calls for the completion of the so-called Mission campus in Santa Clara and the acquisition of a third campus site in the southern part of the district.

However, the southern site may possibly be consolidated with a proposed San Jose College campus in that area during the next 10 years.

The 10-year projection, however, does show the completion of the Santa Clara campus.

Apparently funds for the site acquisition are included in the current state budget. But money for the buildings must come from a bond issue that the district must hold in November of this year.

One might say, that things are somewhat indefinite on the whole.

Except, that is, for enrollment.

It is anticipated that the growth of the college will continue at the steady pace. By 1980-81, the state estimates, there will be 11,255 students in the day classes.

So, you see, one can hardly blame the college people from hanging onto the Campbell job for the next decade.

They have to put the kids some place.

-0-

DAY STUDENTS, WE have learned, is the only basis the state uses in projecting enrollments to show the need for facilities.

The extended day (night classes, to you), apparently don't count in the state estimates. Incidentally, this year shows that 5653 students are in the extended day classes and with 7526 in the day classes, the total enrollment for the college is 13,179.

That compares to a total of 3,203 when the college opened in 1964 and 11,576 last year.

By the way, despite the fact that the Saratoga campus is pretty well shaped up, we learned that there are 772 day students attending the Campbell campus only, with 1527 in the extended day program.

There are 2751 day students attending only the Saratoga campus and 2320 in the extended day classes.

And 3950 day students have day classes on both campuses and 973 in the extended day courses.

When we started out we really didn't mean to devote this entire column to statistics on West Valley College.

-0-

BASICALLY, WE ARE doing our homework as a member of the Citizens Advisory Committee. The column sort of acts as an outlet for our research.

As a member of the education sub-committee of the parent body, our group is charged with recommending what type of college should be developed on the Mission campus.

Should it be sort of a "specialized" school, offering courses in specific occupations, or should it be a fully complete operation as what is planned for the Saratoga campus?

Of course, it is sort of an "iffy" situation all the way through.

Only part of the land for the Santa Clara campus has been acquired to date and there is no money now for the buildings....BUT--

In the meantime, back at the ranch......

There is always the "temporary" Campbell campus.

And that's where we came in.

JANUARY 5:

On this date in 1954, an Air National Guard pilot, Col. W.W. Millikan, set a New York to Washington speed record of 24 minutes in an F-86F Sabrejet.

Rincon Park

(Continued from Page 1)

also approved the regulations for the use of the civic center complex which includes the condition that there will be no smoking in the council chambers and the consumption of food and beverages also will not be permitted.

Smoking and eating will, however, be permitted in the conference rooms.

The Council, acting under direction of the Local Agency Formation Commission (LAFCO), approved an updated boundary agreement with the City of Saratoga. It was reported that the city staff is also working on a similar agreement with the Town of Los Gatos.

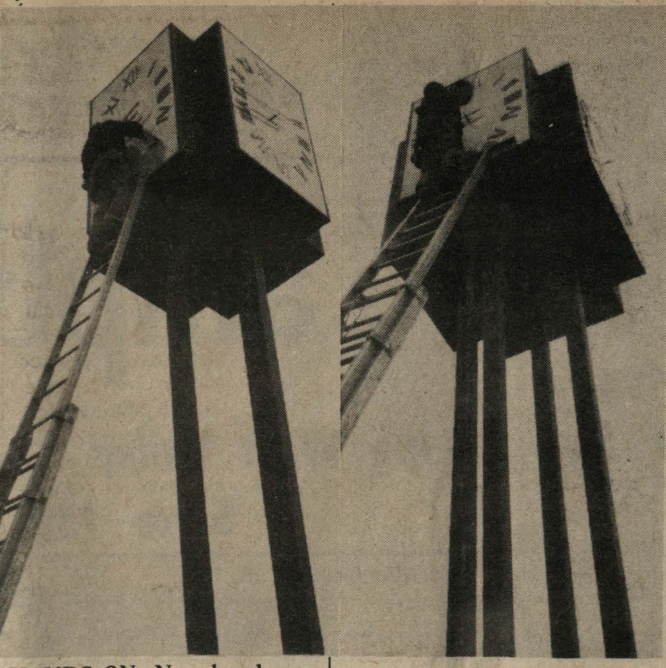
Approval was granted members of the Planning Commission to attend a planning conference in San Jose in February with the city paying for registration and meals only.

The Council by resolution approved the promotion of Police Captain Don Burr, acting chief since Feb. 13, 1971, to chief as of Feb. 1, 1972. Chief Burr's salary will remain at $1680 per month.

YOUTH COMMISSION

Julie Thiebaut was named an ex-officio member of the Youth Advisory Commission. She does not reside within the city limits which is a qualification for membership. In a letter from Betty Campos, chairman of the Youth Commission, the Council had been asked to make an exception in the case of Miss Thiebaut.

Mayor Ralph Doetsch appointed Councilman Dean Chamberlin, Art Kee, planning director, Dale Scott, Planning Commission chairman, and L. E. (Bill) Means, as citizen representative, to attend a conference this Thursday, January 27, in San Jose on the question of federally assisted owner and rental housing.



HANDS ON---New hands are installed on the clock tower face at Campbell city hall, after a strong wind damaged the old hands. The new hands are made of a heavier gauge steel and should withstand the weather, according to the workmen.

MORE ABOUT

Amato plan

(Continued from Page 1)

plan). However, the official vote is not recorded until the second reading of the ordinance which was scheduled for last Monday night.

A continuance on the final vote on the ordinance was asked first by Engdol, head man of Dura Style Homes, at Monday's Council meeting.

Engdol told the councilmen that he had met with the protesting residents and had suggested a number of changes which would reduce the density on the property by a considerable extent. He submitted that a continuance would allow more time to discuss the mutual problems.

Engdol made his request under "oral communications" and Mayor Ralph Doetsch then ruled that the discussion on the vote on the ordinance should follow rather than wait for its turn on the agenda.

DISCUSSION

During the discussion Harry Lewis, of 850 Springfield, read into the record a letter from Mrs. Bob Sneed, of 241 Victor, wife of the spokesman for the objecting residents, who was not present.

Mrs. Sneed asked that the Council disapprove of the ordinance. She cited the petitions that had been presented from all areas of town against the zone change. She also noted that Engdol's willingness to modify the plan indicated that there were other feasible uses for the property.

Mrs. Constance Howell of 1214 Lorelei Court, also urged the Council to vote down the ordinance.

The motion to continue until after the Planning Commission had held hearings was made by Councilman Dean Chamberlin and seconded by Councilman Bill Smeed.

Frank Klein, of 172 Branbury, took the floor after the motion was made and maintained that the Council should take immediate action on the ordinance. He claimed that it was not fair to the homeowners to have the ordinance hanging over their heads when they were "negotiating" and that the public hearings on the General Plan would not mean anything.

But the Council unanimously agreed that it was necessary to have the public hearings on the General Plan before voting on the ordinance and approved the continuance to February 14 without a dissenting vote.

Letters to the Editor

FAVORS TAX INCREASE

Dear Editor:

The members of the Hamilton School P.T.A. Board wish to make known to you and to the members of our community, their support of the upcoming tax-election, proposing a temporary property tax increase for the support of the Campbell Union School District.

This increase, if approved by the voters, will enable our schools to continue the fine educational program they have been providing for our children.

We realize, that if the tax is not passed, it will seriously affect our schools by necessitating a large reduction of teachers in the district, and the elimination of vital programs and facilities.

We hope that the voters in the Campbell Union School District will join us in our support of the tax election this February 29.

Sincerely,
Joann Camarda,
Corresponding Secretary,
Hamilton School P.T.A.
Board.

THANK YOU NOTE

Dear George:

At this time, I would like to publicly thank the Campbell Jaycees for putting on an excellent D.S.A. Banquet last Saturday, January 22.

I also wish to thank those people responsible for my being this year's recipient. Please be assured that I was taken completely by surprise and don't know who to thank or where to begin.

All of those involved in my selection, please accept this as a most sincere thank you!

Sincerely,
Leonard H. Edholm

County sirens to sound off this Friday

Santa Clara County's Office of Emergency Services will test its emergency warning devices Friday, Jan. 28. The test will include air horns and sirens and will be conducted at 11 a.m.

The quarterly test of emergency outdoor warning equipment will follow the traditional pattern: a one-minute alert signal followed by a one-minute silence, then a one-minute attack warning signal.

The signals will be sounded in both Santa Clara and San Mateo counties.

Kindergarten registration takes place Tuesday, Feb. 1

Registration of youngsters for the 1972-73 kindergarten classes in the Campbell Union (elementary) School District will take place in the various schools of the district on Tuesday, Feb. 1 beginning at 9 a.m.

According to district officials, depending on the registration, lack of space may make it necessary for some kindergarteners to attend a school other than the usual school of attendance.

Valid proof of birth date of the youngster must be presented at the time of registration and children must have been born before Dec. 2, 1967 to be eligible to attend kindergarten in Sept. 1972.

Jim D'Avis, acting superintendent of the district, points out that the state law requires that youngsters must be immunized against polio, measles, whooping cough and tetanus prior to entering school or an exemption must be filed.

D'Avis also emphasizes that the kindergarten registration is valid only in the school where the registration takes place. Parents must notify the school of any change of address and kindergarten registrations are not transferrable to another district.

The acting superintendent also announced that all the schools in the district will be closed Friday, Jan. 28, to allow the teachers to attend an all day in-service training workshop at Rolling Hills School.

Anyone who has small children knows how easily their curiosity can lead them into unfamiliar surroundings. Once in a while they can get a little too far away and find themselves "lost."

If you take the time to teach your child his phone number, though, you can be pretty sure that he'll never *really* get lost. If he ever does lose his way, all he needs to do is ask someone to call you.

When you pay your phone bill by mail, or in person, please remember to return the punched payment card. It helps us make sure your payment is properly credited to your account. When you return the payment card by mail, please be sure that the address is showing through the envelope window, and that the envelope is sealed with the adhesive on the flap, rather than tape. If you pay in person, we would also appreciate your bringing the bill with you.

The next time you need information about your telephone service, check the front of your phone book. To make it easier, we've included an index that tells you where to find long distance calling information, Area Codes, local calling areas, prefix locations, and other helpful information. And on the inside cover, we've provided spaces for you to keep numbers you might need in an emergency for the doctor, police, and fire department.

STUDENTS' VIEWPOINT---- Sponsored by the District Curriculum Committee a workshop will take place this Friday, January 28 at Rolling Hills School entitled "Focus Future". In the above photo, sixth graders from Dover School, left to right, Fred Mahler, Bill Nash, David Davis, and David Douthit, explain the students' viewpoint at a recent meeting of the curriculum committee.

Workshop at Rolling Hills takes place this Friday

All residents of the community have been invited to the educational workshop at Rolling Hills School this Friday, January 28, which will feature the theme "Future Focus."

The sessions will begin at 9 a.m. and State Senator Al Alquist and Assemblyman John Vasconcellos are expected to participate along with leaders in the educational field.

The workshop is sponsored by the District Curriculum Committee of the Campbell Union (elementary) District headed by Dixie Perrin. All the schools in the district will be closed on January 28 to enable the educators of the district to take part.

"To our knowledge this is the first time," Mrs. Perrin said, "that a program of this type has been available to the community as well as the teachers and we are very enthusiastic about this opportunity."

by Phyllis Voigt

JUNIOR–SENIOR PROM

The date and site of the annual Junior-Senior Prom have been selected. On Saturday, May 13, juniors, seniors, and their dates will be entertained by a live band at the Los Altos Hills Country Club. The prom will, as usual, run from 9 p.m. to 12 a.m. Attire will be dressy pants suits or formals for girls and tuxedos or tails for boys. Couples who desire to do so can have their pictures taken by a professional photographer, but this price is not to be included in the price of the bids.

UNEXPECTED VISITOR

On Friday morning, January 21, Prospect High School had a very unexpected visitor. When Jeff Pettit and Steve Kulchin looked into the pool early that morning, they found a body; the body of a small shark, approximately two to three feet in length. Prospect's well-known custodian, Carlos, fished the dead fish out of the pool and disposed of it. No one knows where the shark came from.

SPORTS

Wrestling

Prospect's wrestling team has lost three consecutive meets this season. Against Westmont, they lost 27-28, to Campbell, 22-36, and to Los Gatos, 18-30.

SOCCER

Prospect's varsity soccer team has won three consecutive games this year, against last year's champs, Branham, against Leigh, and Camden Coach Jim Wolcott feels that the team is showing a lot of promise after a losing season last year, and stated that the team should not be satisfied with just winning.

BASKETBALL

Prospect's frosh/soph team leads the league so far this year, with a 3-0 record. Against Los Gatos, the team scored 50 points to the Cats' 43, and against Campbell, 59 to 48. Coach Melvin feels that if the team plays at its potential they could be in the league standards.

The varsity team is not doing nearly as well. The team only has a 1-2 record.

4-H CLUB MEMBERS

by Clare Carlson

El Sereno 4-H Club held its monthly meeting on Wednesday, Jan. 12, at the Immanuel Lutheran Church, Saratoga.

The meeting was opened with a game by Dorothy Keefer and Susan Snouse, recreation leaders.

Following the recreation, reports were given on conservation field trip by Donald Duffin, electricity by Anthony Montalbano, poultry by Leland Pawlak, vegetable garden by Deena Rossi, Hi-4-H by Richard Zurlo, and the Christmas party by Holly Herman.

A discussion was held on poppy planting, trash pickup, and tree planting. An invitation from the El Gato 4-H to attend their skating party was received and accepted with thanks.

In the monthly baking contest (gingerbread), the winners were: Lorraine Carlson, first; Trisha Cone, second and Terry Burrow, third.

Following the meeting Glenn Greene gave a demonstration on rabbits. A talk on records and awards was given by guests Kathy and Michelle Rouleau of Evergreen 4-H Club.

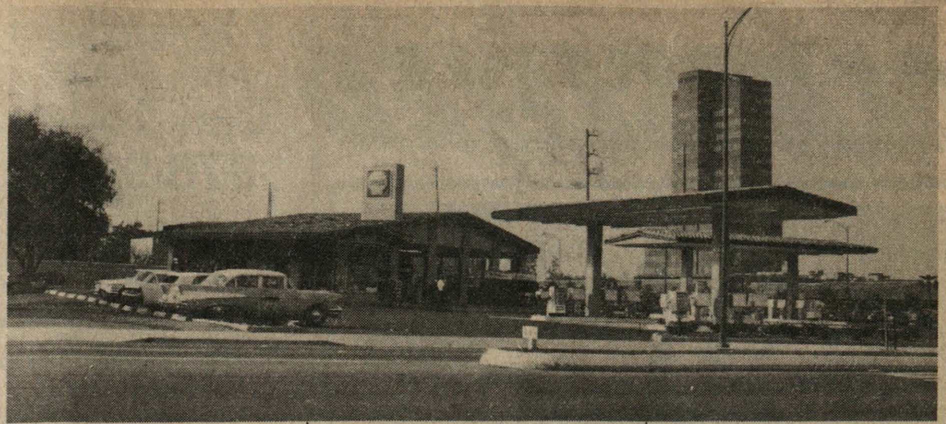
Y.L.I. honors past president

Mrs. Victor Horn, past president of the St. Lucy's Young Ladies Institute (Y.L.I.) will be honored at a dinner party, Thursday, January 27 at Original Joe's Restaurant, 301 S. First St., San Jose at 7:30 p.m., preceded by a social hour at 6:30 p.m.

Presidents from past years will be among the honored guests.

Members and friends may make reservations by contacting Mrs. De Palmo at 377-8903.

Mrs. Charles De Palmo, chairman; and Mrs. Charles Bucholtz, co-chairman, will be assisted by Mrs. John Beck, Mrs. Earl Bublitz, Mrs. William Chivers, Mrs. Cliff Dignam, Mrs. Jean Hawkins, Mrs. William Podgorsek, Mrs. Edward Rutherford, Mrs. Edward Spehar, Mrs. Joseph Sylvia and Mrs. Salvador Tantillo.



NEW PRUNEYARD SHELL ---Shown above is the beautiful new PruneYard Shell service station at the corner of Campbell Avenue and Bascom. Located as it is across from the PruneYard center, the architecture of the new station is in close harmony with that of its attractive neighbor.

Operators of the new PruneYard Shell are Lloyd Nelson and Derrol Hutton, both of whom have had more than ten years experience as successful service station operators. The station offers a complete car care service from tune-ups to overhauls by skilled mechanics.

At 8 p.m. today, the San Jose Chapter of Women's American ORT will meet at the home of Mrs. Phyllis Stevens, 19370 Lanark Ln., Saratoga.

DARTING AROUND

with Tom Carroll

Thirty darters showed up at the Gaslighter Theater last week for the preliminaries of the Northern Calfiornia Darts Assn. Singles Championship.

Campbell's Black Knight had the most qualifiers in the El Camino League. They also had the majority in last Sunday's Doubles Finals in San Lorenzo. Los Gatos' Scarlet La Rue II and Andy Capp's from Sunnyvale each had three qualifiers in the top ten.

The match was played out to see who was the League Champion. The final match of the evening pitted teammates Jack Mehtala and Tom Potts against each other for the title. The Black Knight's Terry Elliott finished third.

Others in the top ten were: (from the Black Knight) Chuck Peterson, Rick James and Bud Gaither; (from Scarlet La Rue's) Mike Adams, Brian Riley and Jim Robbins with the final slot on the El Camino team going to Cash Campbell of Andy Capp's

Mehtala and Adams had the two best games of the night. Both men shot 12 dart games, hit two tons (100's) and shot a 140. Pat Madden shot a 101 and a ton away. Other tons were shot by Rick James, Max Robinson and Bud Gaither.

SOUTH BAY LEAGUE

The South Bay League Prelim, played at the Lancashire Lad in Los Gatos, saw forty-four darters shooting for the privilege of representing their league in the finals Sunday. The finals will be played at the Primrose Lanes, 1340 Howard in Burlingame.

The ten qualifiers from the South Bay league are: Des Banks (Lad I); Frank Malsbury (Lad II); Phil Albers (Scarlet La Rue's I); John Glaze (La Rue I); Paul Schultz (Clock I); Bob Brannen (Lad II); Kip Fanjoy (La Rue's I); Dave Pena (La Rue's I); Roy Haslam (Lad I); and Jim Macredes (La Rue's I).

Three 140's were popped. One each by Kip Fanjoy, Rick Miller and Ted Allen. Kip also had a 15 dart game. Two darters had nice finishes to their games, John Glaze shot a 107-out and Bob Brannen hit a 116-out.

John also popped a 121. Best series for the evening was Dave Pena who had both a 14 and 16 dart game and shot a 123 and two tons. Other high scores were: Marty Gibson (121); Charlie Farr (134); Dave Galbraith (112-away and a 14 dart game); Phil Albers (132); Carl Aydelotte (102) and Frank Malsbury with a 131.

Mugs!

A for your thoughts

by Edith Bonnet

JANUARY

Winter spreads its cloudy hand over the landscape and everything seems to hibernate for a time. A stark bare tree contrasts against a blue-gray sky like a silhouette. The air is fresh and clean, and the foliage flashes its freshly washed face in the thin ray of sunlight.

An evergreen tree spreads its protective shadow over a bed of daffodils just pushing their way through the soil, for they know spring is just around the corner. And we humans feel that irresistable urge to turn the soil in our hands, hoping to hurry spring along a little. Patience, the Seasons say, we will come when the time is right.

WHAT'S IT ALL ABOUT

Class Reunions - When people get together to see who's falling apart.

Kindergarten - Where children go to show teacher what they've learned on Sesame Street.

Men - The last minute Christmas shopper heard grumbling to a friend, "Well, at least, she's got me."

THE LITTLE RED WHAT?

It's bad enough to have children in school, telling you how much they know and how much you don't know, (Our seven-year-old spent several minutes the other day convincing me that my heart was on the right side of my body). By the time he finished I felt grateful I had one at all.

Around our house, it's worse than usual, for Dad is a student too, after hours. I get a blow by blow descripton of how to take 2cc of 5% silver nitrate and one drop of 10% sodium hydroxide, then add 2% ammonium hydroxide "drop-wise" until the brownish precipitate... Well, so much for that, Chemistry sure has changed since the last time I flunked it.

When Dad first started back to school, his first offspring informed him, he'd better start thinking about what to take for show and tell. Wonder what he would take?

If they want me to help to pay for the rising costs of education I'll be only too glad, for the very thought of everyone home, every day all year round, sends me into spasms. By dinner time, the conversation centers around who gets to run away from home first, Mom or Dad.

TOUCH OF THE LIGHT

Window Dressing - Warning -- This house may be dangerous to your health... dog is harmless, but lady bites. ----- Keep on Trucking.

QUITO LITTLE LEAGUE

Boys eight years or older may sign up for the Quito Little League at Forest Hill School, 4450 McCoy Ave. on Friday, January 28, 7 to 9 p.m. and Saturday, January 29, noon to 3 p.m.

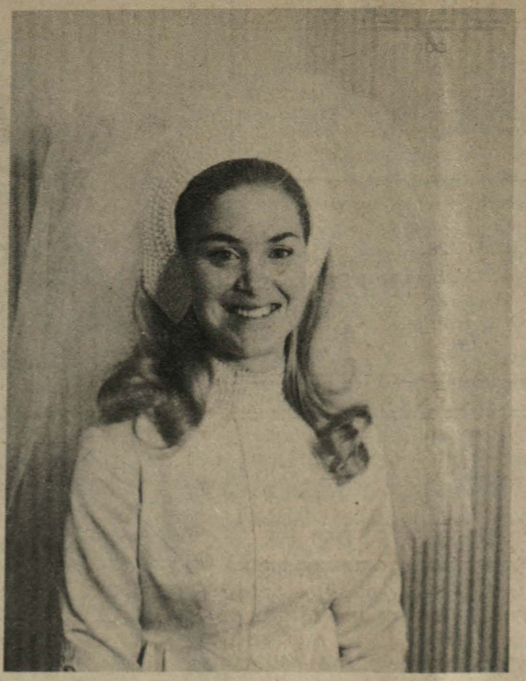
Lads wishing to register with the Little League should come with their parents and bring their birth certificate. To be eligible a boy must be eight years old before July 31.

PLAY TIME FOR CAMPBELL JAYCEES

Campbell Jaycees and their families will take a breather from their usual whirlwind of activities, this week to take a family journey to snow country. Members and their wives and children will leave from the parking lot next to Wing's Market at 6 a.m. Sunday morning, January 30.

"Good Food, Good Friends and Good Times" is the schedule for the day at Bear Valley. Interested Jaycees may call Chairman Dick Bonnet at 379-2785.

Couple honeymoons in Switzerland



MRS. MICHAEL JEFFRY BEWLEY

Terri Renee Orsi and Michael Jeffry Bewley left for a honeymoon to Interlaken, Switzerland after a double ring ceremony performed last Saturday by Rev. Thomas Gee in the First United Presbyterian Church.

The bride, the daughter of Mr. and Mrs. Renzo J. Orsi, 1463 Eastview Dr., Los Gatos, was given in marriage by her father.

She carried a bouquet of airy cascades, white butterfly roses, stephanotis and baby's breath.

An ivory satin gown with chapel length train, long sleeves and an empire bodice appliqued with pearl-centered flowers and trimmed with a neck and center band of pearls, was worn by the bride. A matching Renaissance style band of satin and pearls secured the silk illusion veil.

A long Renaissance purple gown was worn by the matron of honor, Mrs. Barney Mazzone, sister of the bride.

Bridesmaids were Mrs. Kenneth St. Onge, who wore a purple gown; Mrs. Philip Hertzog, sister of the groom in a red gown; Mrs. Michael Self, also in a red gown and Tish Downey, wearing a turquoise gown.

The baskets of turquoise, red and purple miniature carnations and daisies carried by the attendants unified the brilliant color scheme.

Michael Bewley, the son of Mr. and Mrs. Charles Bewley of Phoenix, Ariz. chose John Midgal as his best man.

Ushers were Philip Tower, Barney Mazzone, brother-in-law of the bride; Warren Newman, and Richard Geisel.

The bride's mother wore a long powder blue gown with lace bodice, long sleeves and pleated skirt. A pink floor length gown decorated with beads was worn by the groom's mother. Both women wore cocktail orchids with stephanotis.

A graduate of Los Gatos High, Terri attended the University of Nevada, where she was a member of the Gamma Phi Beta Sorority. She is employed as a stewardess for PSA.

The groom, a graduate of Princeton University, will graduate in May from the University of Arizona School of Law.

The newlywedd couple greeted their guests at a reception in the San Jose Elks Club, while a five piece orchestra played.

Among the out-of-town guests at the wedding were Mr. and Mrs. Frank Caudle of Miami, Florida, great aunt and uncle of the bride; Mrs. George Lutz, of St. Joseph, Missouri, great aunt of the bride, and Lotus McElfish, of Warren, Michigan, a mutual friend of the bride and groom.

Garden Club elects officers

The Santa Clara Valley District Garden Club will elect officers at a meeting on Friday, January 28 at 10 a.m. at the Royal Fork Restaurant, 1730 Campbell Ave.

Mrs. Chesley Ferguson and Mrs. Ralph Byington, accredited flower show judges, will critique arrangements at a flower arranging symposium after the meeting.

Following the symposium is a no-hostess luncheon, with door prizes.

Program chairman for the morning's activities is Mrs. Louis Marotti.

ADA REBEKAH

Officers of Ada Rebekah Lodge No. 223 will wear formal attire when Ora Lowe, deputy president of District 3, makes her official visit on Tuesday, February 1.

A good fellowship program will be presented by San Jose Rebekah Lodge No. 87.

Co-workers honor Ed Merrill

Fifty employees and former employees of the San Jose Main Office of Wells Fargo Bank gathered for a surprise retirement dinner recently in honor of Ed A. Merrill, Assistant Vice President and Trust Officer, who has been Manager of the Trust Department for over 20 years.

Merrill is retiring February 29 after over 40 years of service to Wells Fargo Bank and its predecessor, American Trust Company.

Included at the head table were his wife, Dorothy; his son, Ed, and wife Marilyn; son, Roger, and wife Lynn, and sons, Jack and Dennis.

In addition, there were several alumni of the San Jose Trust Department who received their training under Merrill, including Roy K. Vosseler, Assistant Vice President and Trust Officer and Manager of the Sacramento Office Trust Department of Wells Fargo Bank; Richard M. Nystrom, Assistant Vice President and Trust Officer and Manager of the Carmel Office Trust Department; Robert Panter, Manager, and J. William Bastian, Trust Officer, for the Exchange Bank of Santa Rosa; Verle Leeper from the Trust Department of the California Canadian Bank in San Francisco and several others that have graduated on to the Head Office Trust Department of Wells Fargo Bank in San Francisco.

Also included were his entire present Trust Department staff and some of the many friends that have worked with him during his banking career.

Merrill, a native of Campbell, attended Campbell Grammar School and Campbell Union High School. His employment with the bank started in the Campbell office (then American Trust Co.) in 1930.

During World War II, Merrill was an aircraft warning service engineer for the U.S. Army Signal Corps.

A ham radio operator for most of his life, he has also served as Master of Charity Lodge 360 and for eight years was a trustee of the Campbell Union School District.

Merrill and his wife, Dorothy, moved to Mt. Charley Rd. in Los Gatos four years ago.

The surprise dinner was co-chairmaned by two fellow employees, Mrs. Rita Enders and Thomas A. Nicholls.

SURPRISED---Ed Merrill, center, retiring trust department manager for Wells Fargo Bank, and a native of Campbell, is presented with a giant card by Mrs. Rita Enders, while his daughter-in-law, left, Mrs. Ed Merrill, Jr., and his wife, Dorothy, and daughter-in-law, Mrs. Roger Merrill and Mrs. Dennis Merrill smile approvingly. Merrill was feted at a surprise gathering of some 50 employees and former employees of the bank.

GRAND EXALTED MATRON --- Mrs. Dean Adams, grand exalted matron, will preside with Rocky Hilyard, grand exalted patron, at the opening ceremonies of the Grand Assembly of the Royal Order of Caritas, an annual event at Holiday Inn, Livermore, from Thursday to Saturday, January 27-29. Members of the Campbell Temple of Heart's Delight attending the assembly include Mrs. Eleanor Brown, exalted matron, Raymond Livingston, exalted patron; both past grand exalted matron and patron; Mrs. Belle Smith and Jack Clough, junior past grands; Mrs. A. W. Laederich, Mrs. Lois Van Dorsten and Mabel A. Laederich.

LEGAL NOTICE

NOTICE OF FORECLOSURE SALE UNDER POWER OF SALE IN MORTGAGE

WHEREAS, on the 5th day of May, 1967, THEODORE G. CHRISTENSEN, a single man, executed and delivered to THE HIBERNIA BANK, a banking corporation, a Promissory Note in the total amount of Nine thousand five hundred ($9,500.00) Dollars, and to secure the payment and performance of all the terms thereof, did execute and deliver to said corporation, a Mortgage upon the parcel....of real property hereinafter described, which said Mortgage, dated May 5, 1967, was recorded May 8, 1967, in Liber 7714 of Official Records, at page 420, in the office of the County Recorder of the County of Santa Clara, State of California, and

WHEREAS, said indenture of mortgage contained a grant of power of sale to said corporation in the following terms:

"Mortgagor hereby empowers mortgagee to sell and convey the property herein mortgaged, or any part thereof, at any time after said promissory note has become due and payable in accordance with the terms, provisions and conditions of this mortgage or said promissory note; any such sale may be public or private at the option of the mortgagee, may be conducted by mortgagee, its agent, or attorney, and may be for such price and on such terms as to payment or otherwise as mortgagee may deem proper; at any such sale, mortgagee, in its own name, or in the name of any other person, shall have the right to purchase, and mortgagor hereby authorizes and empowers mortgagee to execute, acknowledge and deliver, in the name of mortgagor, a good and sufficent deed and bill of sale of said property, or any part thereof; any recitals contained in any deed or bill of sale of the mortgaged property which may be made by mortgagee shall be deemed conclusive evidence of the facts recited;", and

WHEREAS, thereafter said corporation did cause to be recorded in the office of the Recorder of said County of Santa Clara, State of California, a "Notice of Breach of Obligation Secured By Mortgage and of Intention to Sell Real Property Described Therein", declaring a breach of said obligations and its intention to sell the real property described in said Mortgage, which said Notice of Breach was so recorded on the 13th day of September, 1971, in Book 9502 at page 741 of Official Records in the office of the Recorder of the County of Santa Clara, State of California;

NOW, THEREFORE, in accordance with the terms, provisions and conditions of said Mortgage and under the authority of the power of sale contained therein, the undersigned, the owner and holder of said Promissory Note and Mortgage does hereby give notice that on the 4th day of February, 1972, at the hour of 11:00 a.m. of said day, at the Main Entrance to the County Court House, 191 North First Street, City of San Jose, County of Santa Clara, State of California, it will sell at public auction to the highest bidder, for cash, lawful money of the United States, all that certain real property located in the County of Santa Clara, State of California, bounded and more particularly described as follows:

Lot 12 as shown on that certain map entitled, "Tract No. 1524 Brookside Addition", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on April 10, 1956 in Book 68 of Maps, at pages 12 and 13.

EXCEPTING THEREFROM the underground water as granted in the Deed from Brookside Builders, Inc., to San Jose Water Works, a California corporation, dated August 1, 1956, recorded August 6, 1956 in Book 3569 of Official Records, page 488.

Commonly known as 1445 Parsons Court, Campbell, California.

Said real property shall specifically include all machinery, equipment or other articles used in connection with said property, any part of which is fastened thereto by nails, screws, pipes, wires, cables, cement, glue or posts, all of which the Mortgagor thereby declared to be a part of the realty and subject to the lien of said Mortgage, and also any and all lands adjacent to and which are within the enclosure of or occupied by buildings, fences or other structures principally upon said real property.

Dated this 4th day of January, 1972.

THE HIBERNIA BANK, a banking corporation,

By /s/ Michael Tobin,

Asst. Secretary.

Surprise for Bordens

Mr. and Mrs. Eugene Borden were honored on their silver wedding anniversary with a surprise party and buffet luncheon in the hall at St. Thomas Episcopal Church, Sunnyvale.

The anniversary surprise was planned for the Campbell Fire Marshal and his wife by their children and families; Mr. and Mrs. Evan Howell, San Jose; Mr. and Mrs. Lester Rollins, San Jose and Kenneth Borden, Campbell.

The Bordens, who were married on December 14, 1946, moved from Merced to Campbell ten years ago. The Bordens have three children and one grandchild.

George Borden, who was best man for the Borden's marriage, and Mrs. Jack Pira, of Monterey, their maid-of-honor, were among the well-wishers at the anniversary luncheon.

Craft-y youth develop crafty hobby kit

by Barbara Price

A bright new craft that now dots the shelves of over 60 local stores started several years ago with a couple of vacationing college buddies who had a background in math, a flair for art and a daring belief in their own talents.

Ric Barline, a physics student, and Mark Jansen, who holds a college degree in Physics and Chemistry, first experimented with geometric thread design during a Christmas vacation several years ago. Winding strands of threads in straight lines between pins arranged in a circle, they were able to achieve a spider-web intricacy. People liked the designs, later marketed and trademarked as "Mandalas"; and by the spring vacation the duo ended up on the sidewalks selling their artwork.

All through the next summer Barline and Jansen sold their thread designs on the sidewalks of Old Town in Los Gatos.

Martin Berg, a neighbor of Jansen, shared his interest in art and soon he was helping the other two in "spinning", displaying and selling the Mandalas.

By August of 1970 the young entrepreneurs had enough capital to rent a studio in the Plaza Del Robles Shopping Center, Saratoga. Having a "home" gave the mathematically inclined artisans a chance to perfect their product while dipping into the new streams of creativity which were always beckoning them to far horizons.

The young people made the Mandalas with a black velvet background which served to brighten the shimmering colored strands.

Visitors to the upstairs studio were intrigued with the rhythmic vibrations of the Mandalas, which were designed to move the eye in a spiral course toward the center. Many customers expressed the wish to "make one of my own."

Gradually the craftsmen began to consider marketing the Mandalas in kit form.

Soon, their hunt for an empty warehouse ended when Frank Armbruster, marketer of the "Instant Insanity" puzzle, offered to rent them the back half of the Behavioral Sciences Laboratory.

In August, 1971, just one year after they had settled into the studio, the young people, incoporated as the "Open Door Co.," relocated in the barren, high ceilinged workshop at 1140 Dell Ave., Campbell and began production.

Public reception of the black and white kits was enthusiastic. More and more area stores placed orders with the Open Door Co., employees were hired, and just recently, colored kits and eliptical designs have been distributed.

Though the Open Door Co. seems to be sailing full speed towards a brighter and brighter financial future, the group says they plan to build up their machinery, then sell the business.

Why would the Open Door Co. want to sell?

"There are too many things to do to spend your whole life with one thing" explains Mark Jansen.

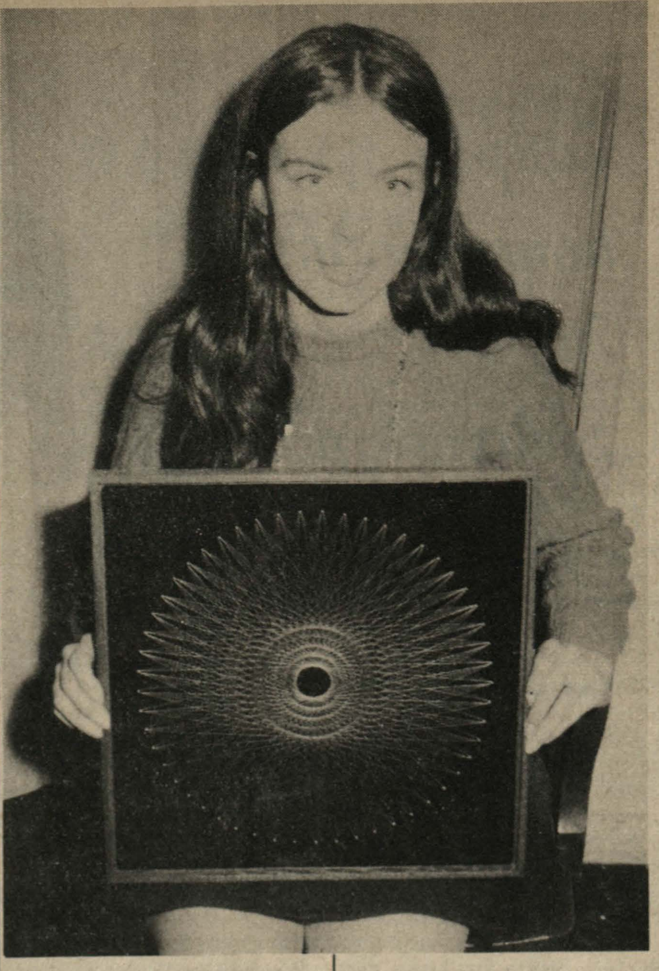
The restlessly creative and energetic young people plan to move from assembling artwork into construction of a completely different kind– "We'd like to get into student housing in the mountains...a neat design, simple, aesthetic, it'll have to blend into the hills."

Jansen tips back in his chair trying to pierce the future with steely eyes, "Our advantage is that we're way ahead of the competition with technical know-how."

True, Jansen, Barline and Berg possess technical competence and artistic flair in generous amounts.

But their outstanding earmark is the confidence and initiative that has already channeled rivers of profit and product popularity through the Open Door Co.

"I fell I can do anything," says Jansen, explaining his confidence in the success of future ventures.



MANDALA MAKER---Cathy Larson, a West Valley coed displays the geometric thread design she made for the Open Door, the rising young organization which markets the eye-catching mandalas in kit form.

Forest Hill has small groups

On Tuesday, Feb. 8 at 7:30 p.m., Forest Hill parents and teachers have the opportunity to participate in small group discussions designed to let members of the community exchange ideas on a more personal level than the typical large group meetings allow.

Some of the topics include "Motivating Your Child to Learn", "Discipline vs. Punishment", "Is My Child Different?", "Drug Abuse", "Academic vs. Social Development", "The Open Classroom", and "The Creative Child."

Over 100 people attended a similar program in November.

Businessmen to teach course

A course in home planning and remodeling and a course in opening your own business will be offered by West Valley College's Community Services office beginning the week of Feb. 7.

An accountant, a banker, a public relations man and business leaders will examine different aspects of going into business for yourself, on seven Wednesday evenings from 7:30 to 10 p.m., beginning Feb. 9.

The class, coordinated by Lew Dreyfous, West Valley business teacher, covers records keeping, tax legislation, financing a business, hiring, and motivating personnel, advertising and managing.

William Duquette, architectural instructor at the college, will teach students drafting techniques, building code requirements and construction terminology on Tuesday and Thursday, 7 to 10 p.m. from Feb. 8 to June 8.

For registration or information contact Community Services, 44 E. Latimer Ave., Campbell, room L-26, phone 379-1733, ext. 58. Both classes require a small fee.

KING DODO

The King Dodo Ladies' Auxiliary holds their monthly luncheon business meeting on Wednesday, Feb. 9.

Hostess of the meeting is Mary Porter, past president of the Auxiliary.

NEW MANAGER — Shown above is John Brazzelo of San Jose who has just been named manager of the Dick Whalen Regal-Arco service station at 1860 W. Campbell Ave.

John is an Army veteran recently returned from active duty in Vietnam. Before entering the service, he worked as a pit man for Dick Whalen's racing cars, requiring exceptionally quick and accurate mechanical adjustments. He will be available for tune-ups and other car care services at the Whalen station here. Whalen also operates another station at the corner of Story Road and Jackson Avenue in San Jose.

PHARMACY PHACTS

"COIN WEEK"—Norman Mineta, San Jose mayor, presented Don Pritchett, president of San Jose Coin Club with a proclamation declaring Jan. 23 through Jan. 30, "Coin Week." The climax of "Coin Week" is the annual Coin Show, sponsored by the San Jose Coin Club, on Saturday and Sunday, Jan. 29 and 30, in the Mediterranean Center of the Hyatt House, 1740 N. First St., San Jose. Exhibits at the admission free show include Mineta's personal collection of 50 medals, a display of ores and a political button display.

Obituaries

VIRGINIA E. KOLZE

Mrs. Virginia Kolze, wife of George H. Kolze, died this week in Los Angeles.

The Kolzes retired to southern California from Campbell in September. Before they left, members of the Campbell Garden Club feted Mrs. Kolze at one of their meetings, as she had been a member of that club since 1951.

She is survived, in addition to her husband, by her children, Margaret, Fred, Roderick and Mrs. Warren Thompson, and her daughter-in-law, Mrs. Roderick Kolze, and son-in-law, Warren Thompson, and four grandchildren.

Services will be conducted Thursday at 10 a.m. at Manchester Chapel, Inglewood Cemetery Mortuary, with interment in Inglewood.

KARL J. BELSER

Former Santa Clara County Planning Director Karl J. Belser, 960 Dry Creek Road, died early Monday morning in Los Gatos Community Hospital.

Belser, who was 69, left the county post in 1967 to work as deputy director of planning for the Republic of China in Formosa, a United Nations position.

Belser attained national stature through his greenbelt zoning concept which was copied throughout the state and nation, according to County Planning Director Roy Cameron.

Survivors include his wife, Wilma, and three sons, Karl, Jr. and Steven of San Jose and Lawrence, of Berkeley. A brother, Walter, lives in Michigan.

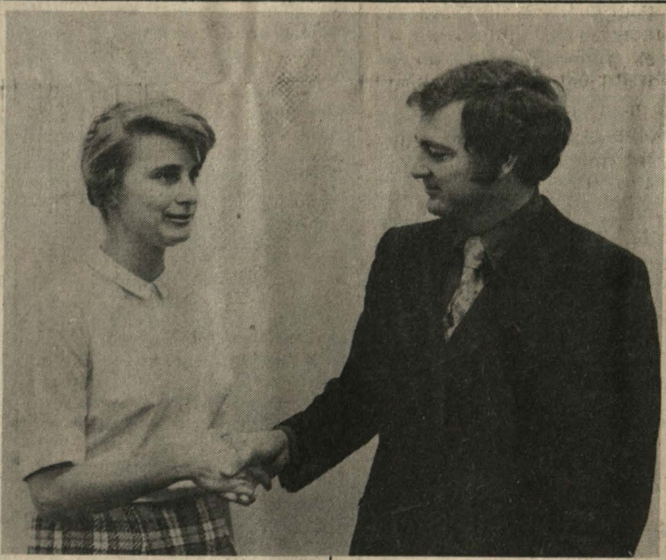
Funeral services will be held Saturday at 2 p.m. in Oak Hill Mortuary's Chapel of the Oaks.

ADMINISTRATOR APPOINTED—Benjamin N. Hirano was appointed assistant administrator of The Good Samaritan Hospital of Santa Clara Valley, Robert K. Kirk, administrator announced recently. He leaves San Jose Hospital and Health Center, where he was administrative vice-president and a staff member since 1957.

Originally from Hawaii, Hirano is a graduate of the University of Hawaii, and holds a master's degree in hospital administration from the University of Minnesota. He is married and the father of three boys.

MOVIES' FIFTH

The Philippines rank fifth in the world in volume of movie production.



SCHOLARSHIP AWARDED--Linda J. Porter of Campbell has received a Salinas Valley Kennel Club Scholarship to pursue her studies at the School of Veterinary Medicine at the University of California, Davis. Presenting the award to the first year student is Jerry R. Gillespie, associate dean of the school.

"OLIVER!" — Robbi Thornburg, as Nancy; Sean Burger, in the title roll and Bill Heiser, as the Artful Dodger, rehearse a scene from the SJCMT production of "Oliver!"

Performances at the St. Frances Cabrini Hall on Camden Ave. are Saturday, Jan. 29, 8 p.m.; Sunday, Jan. 30, 3 and 7:30 p.m.; Saturday, Feb. 5, 8 p.m.; Sunday, Feb. 6, 3 p.m.; Thursday, Feb. 10, 8 p.m.; and Saturday, Feb. 12, 3 and 7:30 p.m. Tickets, still available for the evening performance on Sunday, Jan. 30; Saturday, Feb. 5; Sunday, Feb. 6, and Thursday, Feb. 10, may be reserved by phoning 248-8791, or 377-6818.

Faulkner speaks at Montalvo

John Faulkner, an experienced art instructor, begins a series of slide-lectures on "The Seeds of Contemporary Art" at Villa Montalvo on Tuesday, Feb. 1.

The eight-week course traces the roots of modern art from Cezanne to op, pop and programmed art, by way of Gaugin, Van Gough and the Cubists.

Other Winter classes beginning at Montalvo are beginning poetry, poetry critique, and creative writing, all taught by David McDaniel; macrame with Marion Ferri; sculpture by Wanda Richards; stitchery by Bea Miller; watercolor and drawing with Dan Murphy; Ceramics with Trent Thompson and Psycho-Cybernetics and Parapsychology with Dr. Jack Holland. For further information or registration for the lecture series and classes, call 867-3421 weekdays 9 a.m. to noon and 1 to 4 p.m.

SJCMT "Oliver" opens with 7-up

The San Jose Children's Musical Theater will open its current production of "Oliver!" with a gala 7-up reception following the performance on Saturday, January 29 at 8 p.m. in the St. Frances Cabrini Hall on Camden Ave.

Heading the 183 member cast in the title roll are Sean Burger, 9, and Guy Chicoine, 11. Nancy is portrayed by Robbi Thornburg, 16, and Kathy Nymoen, 15, with Fagin played by Jim Nobel, 15, and Tim Stevenson and Bill Hainley, both 16, as the villain Bill Sykes. The Artful Dodger is portrayed by Daryl Darrin, 13, and Bill Heiser, 11.

Sowerberry, the undertaker is performed by John Tralong, 13, with Bill Howard, 13, and Mark Healy, 15, alternating in the role of Mr. Bumble, the Beadle of the workhouse. Widow Corney is portrayed by Jeannette Engle, 16, and Chris Emerson, 18.

Director for "Oliver!" is SJCMT executive director John P. Healy, Jr. Nancy Heiser is assistant director and production assistant is Patricia Carr. Patricia Healy, musical director, leads an orchestra of 24 local musicians while technical director duties are handled by William Powell, and the stage manager is Larry Metevier.

The scenery was designed by Donald Benson, 16, with costumes by Anne Sudyka. Special effects are handled by a stage crew of 15.

Sisterhood has annual services

Temple Emanu-El Sisterhood is holding its twentieth annual community-wide Interfaith Religious Service on Friday, February 4 at 8:15 p.m. at the Temple Emanu-El, 1010 University Ave., San Jose.

Parochial school teachers will be honored at this year's service.

Guests will gather around festively decorated tables at fellowship hour after the service. Sisterhood members assisting with the annual event are Mrs. Richard Lieberman, interfaith chairman and Mrs. Al May, co-chairman.

Garden Club has symposium

Dig 'N' Dream Garden Club meets on Wednesday, Feb. 2 at 10 a.m. in the home of Mrs. Ellen Lamphear, 920 Sweetbriar Dr., Campbell. Mrs. David Hartley will be co-hostess.

A symposium on African violets will proceed the short business meeting.

The club has contributed funds to U.S. Forest Service to purchase a plantation for "Penny-Pines Project."

LEGAL NOTICE

ORDINANCE NO. 823

BEING AN ORDINANCE ADOPTING PRIMARY AND SECONDARY UNIFORM BUILDING AND ELECTRICAL CODES AND AMENDMENTS TO AND DELETIONS THEREFROM, AND ADOPTING REGULATIONS AS PART OF TITLE 18 CHAPTER 18.04 AND CHAPTER 18.16 OF THE CAMPBELL MUNICIPAL CODE, ENTITLED BUILDING REGULATIONS.

Chapter 18.16

ELECTRICAL CODE

Sections:

18.16.005	Adoption of Uniform Electrical Code.
18.16.010	Interpretation.
18.16.020	Permits.
18.16.025	Enforcement Official.
18.16.030	Application.
18.16.040	Suspension--Revocation.
18.16.045	Expiration.
18.16.050	Refunds.
18.16.055	Late Application.
18.16.060	Permit Fees.
18.16.065	Inspection--Certificates.
18.16.070	Connection--Installation.
18.16.075	Responsibility of City.
18.16.085	Amendments and additions to national electrical code.
18.16.095	Addition of subsection (c) to Section 90-2--Scope.
18.16.135	Addition to Section 220-4 (f)--Calculations.
18.16.155	Addition to Section 230-26--Service attachment.
18.16.220	Addition to Section 300-1--Wiring methods.

18.16.005 Adoption of Uniform Electrical Code. The City Council adopts a Uniform Electrical Code for the regulation of electrical installations, facilities and appliances, the issuance of permits, therefor, and enforcement thereof, which electrical code is as follows:

All of the provisions of the National Fire Protection Association's National Electrical Code of 1971 hereinafter termed the electrical code, and each and all of the regulations, provisions, penalties, conditions and terms, including the modifications, exceptions and additions hereinafter set forth (three copies of which code have been filed for use and examination by the public in the office of the city clerk) are referred to and are adopted and made a part hereof, the same as if fully set forth in this chapter, and are adopted as sections of the chapter (bearing the same numerical sections, designations and titles as appear in the National Electrical Code), except insofar as the terms and provisions of the code are modified, altered, amplified and extended by the provisions of this chapter. (Prior code 8103).

18.16.010 Interpretation.

(a) The language used in this chapter, and the National Electrical Code and the Electrical Safety Orders, which are made a part of this chapter by reference, is intended to convey the common and accepted meaning familiar to the electrical industry.

(b) The building official is authorized to determine the intent and meaning of any provisions of this chapter. (Prior code 8103.1).

18.16.020 Permits. No electric wiring, devices, appliances or equipment shall be installed within or on any building, structure or premises, nor shall any alterations or additions be made in any such existing wiring, devices, appliances or equipment without first securing a permit therefor from the electrical inspector, except as stated in the following paragraphs (1), (2), (3), and (4):

(1) No permit shall be required for the replacement of lamps or the connection of portable appliances to suitable receptacles which have been permanently installed;

(2) No fee shall be required by any person who is regularly employed by the Federal Government, the state, the county or the city as an electican to perform electrical work in and upon premises owned by such agencies;

(3) This chapter shall apply to all installation of electrical conductors, fittings, devices and fixtures, herein after referred to as "electrical equipment" within or on public and private buildings and the premises with the following general exceptions:

(A) This chapter shall not apply to installation in railway cars or to automotive vehicles,

(B) This chapter shall not apply to installations used by utility or communication agencies in the generation, transmission or distribution of electricity. This section is not to be construed as to eliminate permits and inspection to buildings, equipment and property intended to house or shelter said agencies; nothing contained in this subsection shall be construed as to exempt any electrical wiring which is used for general building, lighting, general power purpose, heating, ventilating, elevators, pumping equipment or for general building operation purposes, nor to exempt any service switchboard or service panelboard;

(4) No permit shall be required for the installation of temporary wiring for experimental purposes in suitable experimental laboratories.

The foregoing exemptions from permit requirements shall not be deemed to allow any electric wiring to be done in a manner contrary to other provisions of this chapter;

(5) Permits shall only be issued to:

(a) The actual owner of the property,

(b) California State licensed contractors,

(c) Government agencies. (Prior Code 8103.4)

18.16.025 Enforcement Official.

(a) It shall be the duty of the building official or his representative to enforce the provisions of this chapter. He shall, upon application, grant permits for the installation or alteration of electrical wiring, devices, appliances and equipment, and shall make inspections of all new electrical installations and reinspection of all electrical installations, all as provided in this chapter. He shall also keep on file a list of inspected electrical appliances issued by or for Underwriters' Laboratories, Inc. (and/or other similarly recognized testing laboratories) which list shall be available for public information during regular office hours.

(b) The electrical inspector shall have the right during reasonable hours to enter any building in the discharge of his official duties, or for the purpose of making any inspection, reinspection or test of the installation of electric wiring, devices, appliances and equipment contained therein except that the electrical inspector is not empowered to enter any dwelling while the same is occupied as a dwelling without the consent of the occupant thereof. The electrical inspector shall have the authority to cut or disconnect any wire in cases of emergency where necessary for safety to life or property or where such wire may interfere with the work of the fire department. The electrical inspector is authorized to disconnect or order discontinuance of electrical service to any electric wiring, devices, appliances, or equipment found to be dangerous to life or property because they are defective or defectively installed until such wiring, devices, appliances and equipment and their installation have been made safe and approved by the electrical inspector.

(c) It is unlawful for any owner, occupant or lessee of any premises wherein or whereon any electrical work has been done or installed and is being used or is in use, to prevent or interfere with any such inspector in the discharge of his duties under this chapter, provided, however, that the inspector shall upon request of the owner, occupant or lessee of the premises, exhibit his identification to make such inspection.

(d) The building official may delegate any of his powers or duties to any of his assistants. (Prior Code 8103.5).

18.16.030 Application. Application for permits shall be made in writing to the electrical inspector by the person or firm installing the work. The application shall state the character of the work to be done, the number of outlets, the number of fixtures, the number, size and description of all pieces of electrical apparatus, the location by street, lot number and number of the building or structure where the work is to be done, and any other information which in the opinion of the electrical inspector is necessary to describe fully and define the work to be included in said application. No deviation may be made in the installation without the written approval of the electrical inspector. (Prior Code 8103.6).

18.16.040 Suspension--Revocation. The Building Official may suspend or revoke any permit for anyone for the following reasons:

(1) Any reason which, if known, would have been cause for denial of the permit;

(2) Any material misrepresentation of falsity in the application for the permit;

(3) If any person or firm other than the permittee has been allowed to use the permit for any work authorized by the permit;

(4) If the permittee used the permit to evade, or avoid, compliance with any section of the chapter. (Prior Code 8103.80).

(5) The Building Official may, in writing, suspend or revoke a permit issued under provisions of this Code whenever the permit is issued in error or on the basis of incorrect information supplied, or in violation of any ordinance or regulation or any of the provisions of this Code.

18.16.045 Expiration. The Building Official is authorized to declare any permit void for any one of the following reasons:

(1) If work is not commenced within ninety (90) days of issuance of the permit;

(2) Whenever the work authorized has been suspended, abandoned, or discontinued for a continuous period of one hundred twenty days.

18.16.050 Refunds. Refunds on electrical permits shall be determined by the Building Official upon written information supplied by person to whom permit was issued.

18.16.055 Late Application. Whenever an electrical permit fee is required by this chapter to be paid prior to the commencing of electrical work and electrical work has been started prior to the issuance of the permit, the fee assessed when the permit is issued shall be double the amount of regular fee.

18.16.060 Permit Fees. Each applicant shall pay to the department for each permit issued, and at the time of issuance, a fee in accordance with the following schedule and the rate provided for each classification shown therein.

ELECTRICAL FEES ON PERMIT APPLICATION

For issuing each permit or additional permit ...	$ 2.00
For each receptacle	.15
For each fixture outlet. .	.15
For each switch outlet . .	.15
For each fixture (minimum $2.)	.15
For each circuit panel (lighting, power or subpanel)	1.00
For each electric range (cook-top and oven count as 2)	1.00
For each electric dryer . .	1.00
Electric heaters - per K.W.	.25

For each change of service	3.00
For each temporary pole	3.00
For each temporary meter set...............	3.00
For each motor of not more than ½ HP	.50
For each motor of not more than 2 HP but more than ½	1.00
For each motor of not more than 5 HP but more than 2...........	1.50
For each motor of not more than 15 HP but more than 5............	2.00
For each motor of not more than 25 HP but more than 15...........	3.00
For each motor of not more than 50 HP but more than 25...........	4.00
For each motor of not more than 100 HP but more than 50...........	8.00
For each motor of more than 100 HP	10.00
For each meter on a new service	1.00

MISCELLANEOUS ELECTRICAL FEES

ITEMIZE ON BACK SIDE OF PERMIT APPLICATION

For each welding outlet	$ 1.00
For each moved-in house (minimum)	10.00
Temporary wiring power and lighting........	5.00
For each special circuit (circuits not herein listed)	3.00
For the inspection of any electrical equipment, call backs or inspections for which no fee is herein prescribed, there shall be charged a fee per hour, plus permit fee . .	5.00

18.16.065 Inspection--Certificates.

(a) Upon completion of the work which has been authorized by issuance of any permit, it shall be the duty of the person, firm or corporation installing the same to notify the electrical inspector, who shall inspect the installations within forty-eight hours, exclusive of Saturdays, Sundays and holidays, of the time such notice is given or as soon thereafter as is practicable. This paragraph is not to be misconstrued as permitting continuing with, or covering of, electrical wiring after forty-eight hours,

(b) Where the electrical inspector finds the installation to be in conformity with the provisions of this chapter, he shall issue to the person, firm or corporation making the installation a certificate of approval authorizing the use of the installation and connection to the source of supply, and shall send notice of such authorization to the electrical utility furnishing the electric service, when other local building inspection requirements have been fulfilled,

(c) If, upon inspection the installation is not found to be fully in conformity with the provisions of this chapter, the electrical inspector shall at once notify the person, firm or corporation making the installation, stating the defects which have been found to exist.

(d) Failure on the part of any licensee to correct any defect, error or deficiency in any work within ten days after notification thereof, or within such further reasonable time as may upon request be prescribed by the Building Official, shall be sufficient cause for refusal to issue any further permits to such licensee until such corrections have been made, inspected and approved.

(e) When a certificate of approval is issued authorizing the connection and use of temporary work, such certificate shall be issued to expire at a time to be stated therein and shall be revocable by the electrical inspector for cause.

(f) A preliminary certificate of approval may be issued authorizing the connection and use of certain specific portions of an incompleted installation; such certificate shall be revocable at the discretion of the Builuing Official.

(g) When any part of a wiring installation is to be hidden from view by the permanent placement of parts of the building, the person, firm or corporation installing the wiring shall notify the electrical inspector and such parts of the wiring installation shall not be concealed until they have been inspected and approved by the electrical inspector; provided, that on large installations, where the concealment of parts of the wiring proceeds continuously, the person, firm or corporation installing the wiring shall give the electrical inspector due notice and inspections shall be made periodically when properly notified during the progress of the work. The removal of any obstruction that prevents proper inspection of any electrical equipment may be required by the electrical inspector. (Prior Code 8103.13).

18.16.070 Connection--Installation.

(a) It is unlawful for any person, firm or corporation to make connection from a source of electrical energy or to supply electric service to any electric wiring, devices, appliances or equipment for the installation of which a permit is required, unless such person, firm or corporation shall have obtained satisfactory evidence that such wiring, devices, appliances or equipment are in all respects in conformity with all applicable legal provisions.

(b) It is unlawful for any person, firm or corporation to make connections from a source of electrical energy or to supply electric service to any electric wiring, devices, appliances or equipment which has been disconnected or ordered disconnected by the electrical inspector or the use of which has been ordered by the electrical inspector to be discontinued until a certificate of approval has been issued by him authorizing the reconnection and use of such wiring, devices, appliances or equipment. The electrical inspector shall notify the serving utility of such order to discontinue use. (Prior Code 8103.14).

18.16.075 Responsibility of City. Neither the city, nor any department, nor any board, officer or employee thereof, shall be held liable or responsible for any damage or injury caused by or resulting from any inspection or approval made under the provisions of this chapter. (Prior Code 8103.15).

18.16.085 Amendments and Additions to National Electrical Code. The following sections are either enacted in modification of the National Electrical Code adopted by reference in Section 18.16.005, or are added in place of those sections, parts and/or provisions of the National Electrical Code which have not been adopted. (Prior Code 8103.18 (part)).

18.16.095 Addition of Subsection (d) to Section 90-2--Scope. A subsection (d) shall be added to Section 90-2 of the National Electrical Code, to read as follows:

(d) All electrical wiring, installations, apparatus and equipment shall be in conformity with the provisions of the 1971 National Electrical Code, except that where specific standards are prescribed by ordinances or by statutes of the State of California, or by any orders, rules or regulations, issued by authority thereof, the provisions of such ordinances, statutes, rules and regulations shall apply. (Prior Code 8103.18 (b).)

18.16.135 Calculation. Addition to Section 220-4 (f) second paragraph to Exception No. 1, to read as follows:

Demand factors for electric heat units and water heaters on duty cycle, or operating intermittently by individual thermostat control may be computed by the following table:

No. of Units	Per cent demand
1 - 2	100
3 - 5	85
6 - 10	70
11 - 20	60
21 - 35	50
36 - 60	40
61 - 100	35
Over 100	30

18.16.155 Addition to Section 230-26--Service attachment. Section 230-26 is amended by adding the following:

"All new services and service changes shall be underground to all buildings as set forth under Subdivisions Title 20, Chapter 20.16.070 of the Campbell Municipal Code."

18.16.220 Addition to Section 300-1 Wiring Methods. Section 300-1 is amended by adding the following:

(c) All electrical installations in Fire Zones 1 and 2 shall be wired in approved raceways (except flexible conduit). In all other fire zones, buildings other than residential uses shall be wired in approved raceways (except flexible conduit).

(d) All buildings moved into, relocated and/or remodeled within the jurisdiction of this Code shall be wired in accordance with this Code. If any portion is found to be in an unsafe or hazardous condition, that portion shall be wired in accordance with this Code. (Prior Code 8103.18 (b.1)).

18.04.110 Uses other than fallout or bomb shelter.

I GENERAL REGULATIONS

18.04.010 Adoption of Uniform Building Code. The City council adopts a Uniform Building Code for the regulation of construction, altering, renovating and remodeling of buildings and structures, the issuance of permits therefor and enforcement thereof which building code is as follows:

All of the provisions of the Uniform Building Code of 1970 of the International Conference of Building Officials, hereinafter termed the "Building Code", and each and all of the regulations, provisions, penalties, conditions and terms of such building code (three copies of which code have been filed for use and examination by the public in the office of the city clerk) are referred to and are adopted and made a part hereof, the same as if fully set forth in this chapter, and are adopted as sections of this chapter bearing the same numerical sections, designations, titles as appear in the building code. (Ord. 764 Part I (part), (1), 1971: Prior code §8100 (part), (1)).

18.04.020 Portions not adopted. The following sections, chapters, parts and/or provisions of the Uniform Building Code are not adopted: Chapter 2, Section 203, and Chapter 38. (Ord. 764 Part I (2), 1971 Prior code §8100 (2)).

18.04.030 Modifications. The following sections are either enacted in modification of the Uniform Building Code, adopted by reference in Section 18.04.010, or are added in place of those sections, parts and/or provisions of the Uniform Building Code which have not been adopted.

(1) Section 203 is deleted and the following substituted:

Section 18.04.031. Inspections. Report - Findings (Add Ord. 612 9/25/67)

The Building Official or the Chief of the Fire Department through its Fire Prevention Bureau, or both such officials acting either in concert or independently, shall examine or cause to be examined, every building, structure, yard or other premises reported as dangerous or damaged or which constitutes a fire hazard, and shall forthwith make detailed findings and reports showing the condition of the same and the dangerous and unsafe qualities thereof and their recommendation for abatement thereof by repair or destruction and demolition thereof. The said findings and report shall remain in the office of either the Building Official or Fire Prevention Bureau for review and inspection by the legal or equitable owners of property to which they relate. (Prior code Section 3442).

Section 18.04.032. Notice to Owners, or Others Interested.

(a) Upon completion and filing of the findings and report, the Building Official or the Fire Prevention Bureau shall give a written notice to the record owner of the building, structure, yard or premises, and to any mortgagee, owners of deeds of trust or other recorded contract, of the dangerous and defective condition of the same. The said notice may require the owner or the person in charge of the building, structure, yard or premises to commence within 48 hours either the required repairs, work, improvement or demolition of buildings or structures and the clearance of weeds, debris and other materials constituting a fire hazard. Such notice shall also require the building, structure or portion thereof to be vacated forthwith and not re-occupied until required repairs and improvements are completed and inspected and approved by the Building Official and by the Fire Prevention Bureau, or both. (Prior code 3443).

(b) Proper service of such written notice shall be by personal service upon the owner of record, if he shall be found within the City Limits. If he is not so found, service may be made by registered or certified mail. The notice shall also be served by registered or certified mail upon mortgagees, holders of deeds of trust, and holders of conditional sales contracts, if known.

(c) Notice shall likewise be posted on the property, together with the posting of a sign on each entrance of such buildings or structure to read: DO NOT ENTER. UNSAFE TO OCCUPY. BUILDING OR FIRE DEPARTMENT OF CITY OF CAMPBELL. Such sign shall remain posted until the required repairs, demolition or removal, including the abatement of weeds, debris and other materials found to create a fire hazard have been completed.

(d) The Notices herein provided to be given shall contain a statement that the owner or others having a legal or equitable interest in the said building, structure or premises shall have a right to appeal from the report and findings of the Building Official and/or the Fire Prevention Bureau to the Board of Appeals as established under the Uniform Building Code, adopted by reference and forming a part of the Campbell Municipal Code. The said appeal shall be heard within ten (10) days from the filing thereof, and if said tenth day falls on a holiday the same shall be set for hearing on the next immediate work day.

Section 18.04.033. Proceedings After Appeal

Should the appeal be denied, the report and findings of the Building Official and/or Fire Prevention Bureau, together with a statement of reasons for denial, shall be transmitted to the City Council forthwith, and the appellant shall have a right to be heard by the City Council at a regular meeting thereof subsequent to the receipt of the decision of the Appeal Board. The Appeal Board may sustain the appeal in whole or in part, depending upon whether the conditions found by the Building Official and/or Fire Prevention Bureau are such as can by substantially cured, and if so the appellant must commence the work of bringing the building, structure or premises to a condition that will not be violative of municipal and building code provisions within 30 days. Such decision of the Board of Appeals in the sustaining of the appeal in whole or in part shall be final, except that if the work is not done as prescribed, the public nuisance shall be considered to continue and to be subject to summary abatement proceedings. (Prior code 3444).

Section 18.04.034. Proceedings Before City Council

If the City Council, after reasonable hearing, sustains the decision of the Board of Appeal, the City Council shall adopt a resolution containing its findings, and declaring the building, structure and premises a public nuisance and directing that the Building Official and/or Fire Prevention Bureau submit to it a report of costs for either the repair work or demolition and advise the owners and others interested as aforesaid of such costs, and further advising them that such costs will be assessed to them, unless they immediately do the work at their cost and expense. A hearing on the report of costs shall be held by the City Council at its next regular meeting after the filing of the report on costs with the City Council through the City Clerk. Unless the property owner or others interested in said property agree to do the work required, including demolition at their own cost and expense, supported by a bond for faithful performance in an amount equal to the costs, the City Council shall direct the Building Official and/or Fire Prevention Bureau to contract for the work to be done, and the costs thereof shall be charged and assessed to the property owner and collected in accordance with Sections 18.04.035--18.04.036. (prior code 3445).

Section 18.04.035. Assessment and Collection

Upon completion of the work, if done by the City, a statement of costs shall be immediately filed with the City Council through the City Clerk, with a copy to the property owner, and after hearing by the Council at a regular meeting subsequent to the filing with notice to the property owner and others interested therein, the City Council shall adopt a resolution making the assessment and providing for a cash payment within 30 days by the property owners or others interested therein, or its collection on the tax rolls of the County. The resolution shall direct the City Clerk to record a lien for said costs on the property affected, and to send to the County Controller and County Assessor certified copies of the resolution making the assessment and ordering its collection. The lien to be recorded shall be substantially in this form.

LIEN ON REAL PROPERTY STANDING OF RECORD IN

____

Pursuant to the authority vested in me by Chapter 4, Article III of the Campbell Municipal Code entitled Public Safety and the provisions of Section 38773.5 of the Government Code of the State of California, I did, on the _____day of__________, 19____, cause the following work to be done on the building and premises situated at__________________in City of Campbell, California:

(describe work)

That on the_____day of______ ______, 19____, by Resolution No.________the legislative body of City of Campbell assessed the costs of doing the said work upon the real property hereinafter described and standing of record in______________, and that the same has not been paid nor any part thereof, and the said City of Campbell does hereby claim a lien on said real property and against the legal and equitable owners thereof in the sum of________ Dollars ($________), and the same shall be a lien upon said real property until the said sum, with interest at the rate of six percent (6%) per annum from the said ________day of_______________, 19_____, has been paid in full and discharged.

The real property hereinbefore mentioned and upon which a lien is claimed, is that certain piece or parcel of land lying in the City of Campbell, County of Santa Clara, State of California, and particularly described as follows, to wit:

(describe property)

____
Chief Building Official of City of Campbell
(or)
Chief of the Fire Department of City of Campbell
(Prior code 3446)

Section 18.04.036. Collection Laws Applicable

The assessment may be collected at the same time and in the same manner as ordinary municipal taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency, as provided for ordinary municipal taxes. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to such assessment. (Prior code 3447).

(2) Section 303b is amended by adding the following:

"EXCEPTION. Plan check fees for swimming pools, signs, and demolitions permits;"

(3) Delete the number 100 and substitute the number 50 in Section 401 under the definition of "Assembly Building", in table 5-A under Group F division 2 occupancies and in Section 1101 division 2.

(4) Fire Zones. The following shall be added to Section 1601 (a):

"Fire Zones 1, 2 and 3 are hereby established for the City of Campbell by Ordinance Number ________dated________under Title 17, Sections_______through_____ of the Campbell Municipal Code.

(5) Quality and Design. The following shall be added to Section 2501 (a):

"Any and all species of lumber as designed or set forth in Chapter 25 of the Building Code shall be used only when identified by grade mark (f) or certificate of inspection, by an approved lumber grading or inspection bureau or agency approved by the Building Official." (Ord. 764 Part I (3), 1971: Prior code §8100).

(6) Chapter 38 in its entirety is deleted and the following substituted:

"Title 17 Sections ____________ through________Campbell Municipal Code.

(7) Chapters 13, 23 and 49 of the Appendix of the Uniform Building Code are adopted as part of this chapter.

II CAMP CARS AND TRAILERS

18.04.040 Definitions. A camp car and/or trailer, subject to the provisions of this chapter, is defined as any unit or structure designed, constructed and/or used for living or sleeping purposes or human habitation, which is equipped with wheels or similar devices for the purpose of transporting the unit and/or structure from place to place, whether by motive power or by other means. (Ord. 764 Part I (part), 1971: Prior Code §8100.4 (1).

18.04.050 Building code requirements. Any camp car and/or trailer, as defined in Section 18.04.040, from which the wheels or similar devices used for the purpose of transporting the unit and/or structure from place to place have been removed, shall constitute the same as a dwelling subject to the requirements of the California State Division of Housing. (Ord. 764 Part I (part), 1971: Prior code §8100.4 (2).

18.04.051 Temporary Location. No camp car and/or trailer shall be used for living or sleeping purposes or as a place of human habitation within the City of Campbell except the same be located and maintained within a trailer park as specified under the provisions of Title 21 Section 21.64.070 Part 14 and existing nonconforming trailer parks.

"EXCEPTION. Transient camp cars and/or trailers may be parked for visitation purposes for a period not to exceed 15 days. Trailers shall not exceed 18 feet in length and shall be parked on private property. The City of Campbell Building Department shall be notified as to the calendar dates of visitation and the address of the property."

III FALLOUT AND BOMB SHELTERS *

18.04.060 Generally. Private, quasi-public and public fallout shelters shall be approved by a structural engineer and conform to all requirements of the Uniform Building Code and construction standards adopted by the city council by resolution. Such shelters shall be located in accordance with Section 21.70.070. Permits for units constructed in residential zones and under twenty-person capacity shall be issued by the building official. Others shall be issued in accordance with use permit procedures established by this chapter. (Ord. 764 Part I (part), 1971: Prior code §8100.5).

18.04.070 Sanitary facilities in fallout shelters. No flush toilets, lavatories, bathtubs or showers are permitted. (Ord. 764 Part I (part), 1971: Prior code §8100.6).

18.04.080 Height of rooms in fallout shelters. There shall be a six foot six inch height minimum. (Ord. 764 Part I (part), 1971: Prior code §8100.7).

18.04.090 Corridors and stairs in fallout shelters. There shall be a minimum width of twenty-four inches and a minimum height of six foot six inches. (Ord. 764, Part I (Part), 1971: Prior code §8100.8).

18.04.100 Exit facilities in fallout shelters. Doors shall be swing doors (swing in) with a minimum by twenty-four inch width by six feet six inch height. Locks shall be openable from the inside without the use of a key or special knowledge or effort. (Ord. 764 Part I (part), 1971: Prior code §8100.9).

18.04.110 Uses other than fallout or bomb shelter. If upon inspection it is determined the shelter is being used for other purposes than originally designed, the owner or owners are subject to forfeiture of the right of use and the shelter will be sealed or removed at the owner's expense. (Ord. 764 Part I (part), 1971: Prior code §8100.10).

*For further regulations governing fallout shelters, see Chapter 21.70.

PASSED AND ADOPTED this 24th day of January, 1972, by the following vote:

AYES: Councilmen: Chamberlin, Podgorsek, Rogers, Smeed, Doetsch.
NOES: Councilmen: None
ABSENT: Councilmen: None
APPROVED: Ralph Doetsch, Sr., Mayor.
ATTEST: Dorothy Trevethan, City Clerk.
PUBLISH: Jan. 26, 1972.

LEGAL NOTICE

ORDINANCE NO. 824

AN ORDINANCE OF THE CITY OF CAMPBELL CONSENTING TO THE SALE OF AN INTEREST OF A NON-EXCLUSIVE FRANCHISE GRANTED BY ORDINANCE NO. 567 AND TO ASSIGNMENT OF SAID FRANCHISE TO GILL CABLE, INC.

WHEREAS, this Council has heretofore by Ordinance No. 567 adopted on November 28th, 1966, granted to San Jose Cable T.V. Service, in joint venture, ("the Grantee"), a non-exclusive franchise to operate and carry on within the City the business of distributing television signals and radio signals to persons within the City by means of a community antenna system, subject to certain terms and conditions; and

WHEREAS, the Grantee at that time consisted of Standard Radio and Television Company and Northwest Publications, Inc., joint venturers; and

WHEREAS, subsequent to the granting of said franchise to the Grantee, Standard Radio and Television Company changed its name to Gill Industries, A California Corporation; and

WHEREAS, pursuant to agreement entered into on November 26, 1971, Northwest Publications, Inc. agreed to sell to Gill Industries its interest in the Grantee, conditioned upon consent of this Council thereto; and

WHEREAS, Gill Industries proposes to assign all of its interest in said franchise to Gill Cable, Inc., a Delaware corporation ("the Assignee"), a wholly owned subsidiary of Gill Industries.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CAMPBELL, AS follows:

1. Consent to Sale. Subject to the provisions of this ordinance, the provisions of Chapter 5.20 of the Campbell Municipal Code, and the provisions of Ordinance No. 567 entitled "BEING AN ORDINANCE OF THE CITY OF CAMPBELL GRANTING TO SAN JOSE CABLE TV SERVICE AND ITS AFFILIATES, IN JOINT VENTURE, A NON-EXCLUSIVE FRANCHISE TO OPERATE, MAINTAIN AND CONDUCT THE BUSINESS OF DISTRIBUTING TELEVISION AND RADIO SIGNALS TO PERSONS WITHIN THE CITY OF CAMPBELL BY MEANS OF A COMMUNITY ANTENNA SYSTEM: AND SETTING FORTH TERMS, CONDITIONS, PROVISIONS, COVENANTS AND AGREEMENTS UPON AND IN CONSIDERATION OF WHICH SAID FRANCHISE IS GRANTED." adopted on November 28, 1966, this Council does hereby consent to the sale by Northwest Publications, Inc. in the Grantee and in the franchise granted to the Grantee by said ordinance No. 567, and does hereby consent to the assignment by Gill Industries to the Assignee of all right, title and interest of said joint venturers or either of them in and to said franchise.

2. Sale and Assignment Not a Release. Neither said sale nor said assignment shall relieve Northwest Publications, Inc. or Gill Industries from any duties and obligations under said franchise or said Chapter 5.20 of the Campbell Municipal Code.

3. Term of Franchise. Nothing herein contained shall be deemed to extend or otherwise alter the term of the franchise granted by said Ordinance No. 567.

4. Franchise Fee. The Assignee shall immediately pay to the City any and all monies due and payable to the City as a franchise upon the effective date of this Ordinance.

5. Acceptance. Within 25 days after the effective date of this ordinance, the assignee shall file with the City Clerk its written acceptance in form satisfactory to the City Attorney of the terms and provisions of this ordinance, together with its agreement to be bound by and to comply with and do all things required of a grantee of such franchise by applicable provisions of Chapter 5.20 of the Campbell Municipal Code, said Ordinance No. 567, and this Ordinance. The consent of Northwest Publications, Inc. and Gill Industries to the assignment of said franchise to the Assignee shall be endorsed upon said acceptance in form satisfactory to the City Attorney, and said former joint venturers thereby shall agree to each and all of the provisions of this Ordinance.

PASSED AND ADOPTED THIS 24th day of January, 1972, by the following vote:

NOTICE OF SPECIAL SCHOOL DISTRICT MAXIMUM TAX RATE INCREASE ELECTION

NOTICE IS HEREBY GIVEN that on Tuesday, FEBRUARY 29, 1972, an election will be held in the CAMPBELL UNION SCHOOL DISTRICT of Santa Clara County, California, at which election there will be submitted to the voters of the District the following question:

PROPOSITION:

Shall the proposed increase in the maximum tax rate from Two Dollars and Fifty-five Cents ($2.55) to Three Dollars and Five Cents ($3.05) for each one hundred dollars ($100.00) of assessed valuation of property, such rate to be in effect in the Campbell Union School District for the school years 1972-73 to and including 1974-75, the revenues of which are to be used for the maintenance of the educational program, including funds for instructional supplies, library books, the maintenance and repair of buildings, grounds and equipment, operation, employee salaries, capital outlay, and to make such other lawful expenditures as may be required, be authorized?

The County Superintendent of Schools, by this Notice of Election, has called the election pursuant to a Resolution and Order of the Governing Board of the District, adopted December 9, 1971, in accordance with the provisions of Education Code Sections 1303, 1307, 1323, 1325, 1326, 1342, and 20803.

DATED: DECEMBER 16, 1971

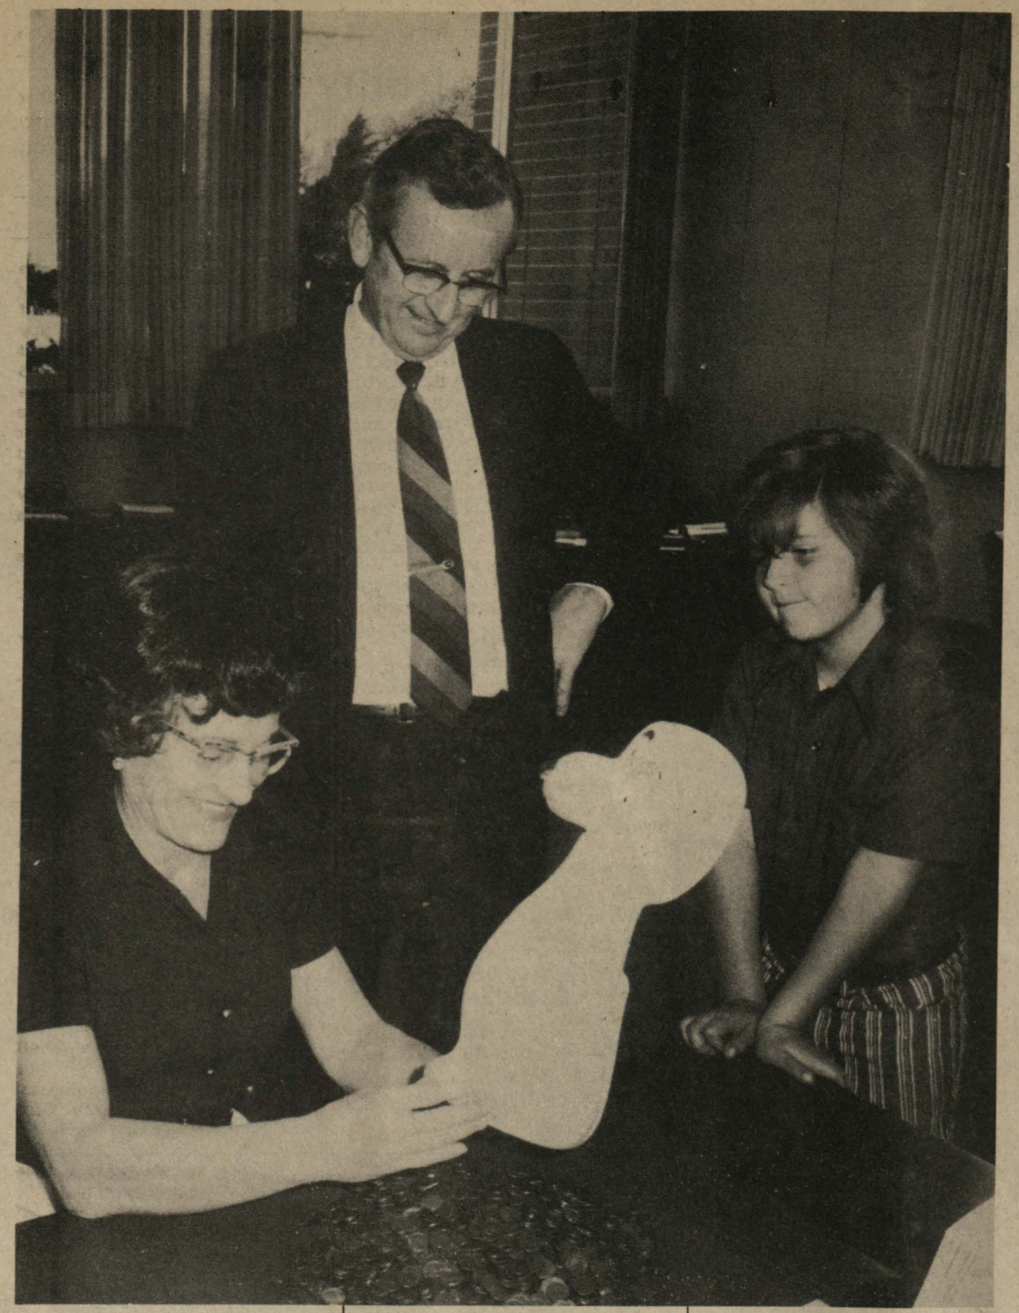
Superintendent of Schools of
Santa Clara County
State of California
By Hans H. Harder
Deputy Superintendent
School Elections



LOOKEE ALL THE PENNIES--And for a good cause, too. Eight year old Eddie Smart brought "Snoopy" to the Wells Fargo Bank last week and when "Snoopy" went home, he weighed $18.36 less. Eddie contributed "Snoopy's" contents to the fund for Mrs. Jeanie Robinson, whose sons, before their death in a fire last December, were his playmates. Mrs. Aileen Cowdery and Bob Cowan, bank manager, view the plastic toy's contents.

Eddie contributes to Jeanie Robinson fund

When an eight year old boy brought his "Snoopy" bank into the Campbell office of Wells Fargo bank last Friday, his contribution brought the Jeanie Robinson Fund up to $1776.

The youngster, Eddie Smart, son of Mr. and Mrs. James Smart of 1030 Linda Dr., was a neighbor and playmate of three young boys who, with their father, died in a fire which swept their home at 1020 Linda Dr. on December 2.

Steven, 14, Jeffrey, 10, Michael, 2, and Kenneth Robinson, 33, died of smoke inhalation rather than burns, but their mother, Jeanie, survived and has undergone extensive treatment for burns at Los Gatos Community Hospital.

Shortly after the tragedy, Mr. and Mrs. Leland Blalock, 1010 Linda Dr., established the Wells Fargo Bank fund to offset medical and funeral expenses.

Since that time contributions have been sent to the bank by many who had read of the tragedy, as well as several groups of youngsters who had collected coins from their friends.

Young Smart, whose savings totalled $18.36, thought he had been "saving for a couple of years and summers" watched Aileen Cowdery of the bank count the contents of his bank.

Jeanie Robinson, who will benefit from the contributions, is reported to be in good condition.

Contributions to the fund may be made at any Wells Fargo Bank.

"SNOOPY" AND EDDIE---One would like to think that Eddie Smart's "Snoopy" bank had one of his special smiles on his face as he and Eddie wait to donate Eddie's savings to the Jeanie Robinson Fund.

Grange holds installation

The incoming officers of the Orchard City Grange 333 of Campbell were installed recently in the Grange Hall, 109 N. First St.

The new Grange officers are Charles Carter, master; James Arnold, overseer; Ted Bohn, lecturer; Les Fairchild, treasurer; Hazel Smith, secretary; Virginia Rutherford, musician; Luise Fairchild, Pomona; Irene Cunningham, Ceres; Sarah Noyer, Flora; Elmer Hoerler, steward; Dwight Scheffer, assistant steward; Irene Hood, lady assistant steward; Burtie Singleton, gatekeeper; Lucille Hoerler, Barbara Carter, Fred Johnston, executive committee; and Alfrida Van Nattor, chaplain.

Installing officers were Emmett Ivey, past state lecturer; and Hazel Ivey.

Heart Fund sets $225,000 goal

The Santa Clara County Heart Association starts the annual Heart Fund Drive with a goal of $225,000, on Tuesday, February 1 at a kickoff luncheon at the San Jose Hyatt House.

Climax of the drive comes the weekend of February 24-27 when 10,000 volunteers, under the leadership of residential chairman Mrs. Dorice Andreuccetti, make a house-to-house canvass throughout the county.

According to Dr. Gerald Toole, Heart Association president, there has been a decline of 18 per cent in the cardiovascular death rate for persons below 65 since 1950, when the Heart Association started its intensive program of research.

Nevertheless, current statistics reveal that one out of eight Americans suffer from some form of heart and blood vessel disease.

SEEKS REELECTION---Dominic Cortese, 39, supervisor for the second district, has announced he will seek reelection to the board. Cortese served as chairman during 1971. Cortese is an Evergreen rancher and businessman and a graduate of University of Santa Clara. He lives with his wife and five children on San Felipe Road in eastern San Jose.

Craft Shop has items for gifts

Anyone in a quandry over gifts for Valentine's Day, Easter Sunday or Mother's Day might take a look at the West Valley Progressive Senior's Craft Shop, 41 W. Rincon Ave.

The non-profit store stocks a variety of items hand-crafted by local seniors for an 80 per cent consignment.

Among the gift possibilities are crocheted ponchos, afghans, slippers, caps, baby sets, beaded bracelets, ear rings, necklaces and paintings.

Open Tuesday through Saturday, 10 a.m. to 4 p.m., the Craft Shop also has antiques and second-hand clothing.

ALMOND ROCA

CAMP FIRE CANDY --- Displaying posters of the annual candy sale are (top row), Cheryl Moore, Lauren Hovis, (bottom) Margaret Wilkinson and Corrine Hanson, members of Mrs. Karen Hanson's fifth and sixth grade Camp Fire group at Rolling Hills School. Girls from the Blue Birds, the Discovery Club and the Horizon Club are also participating in the countywide sale which runs from Thursday, Jan. 27 to Feb. 14. The budding salesladies, many of whom are earning credit towards their stay at Camp Wastahi this summer, will sell mints and almond roca at $1 per box.

ANOTHER BUILDING GOING UP---Two workmen fit the forms for the foundation of the multi-purpose business educaiton-student personnel-administration building under construction at West Valley College's Saratoga campus. Nicholson-Brown of Santa Clara broke ground on the $1.7 million project in December with an occupancy date scheduled for the fall of 1973.

Are disposable homes probable?

Americans are developing a "throw-away" culture that is spreading to the houses they live in, said Joseph P. Carnahan, president of the California Real Estate Association at that group's midwinter director's meeting.

Citing development of a throw-away auto in Germany with a one-year life, he asked: "How soon will there be dwelling units of the same nature?"

"For the first time in our history...we have issued more building permits for apartment house construciton than we have for single family dwellings."

Carnahan termed the increasing use of apartments and mobile and modular homes "minimum involvement housing – no ties...We can leave whenever we want to."

P.T.A. observes Founder's Day

The Moreland School P.T.A. will observe Founder's Day by honoring some of the people who started the local unit at a meeting on Tuesday, February 1 at 7:30 p.m. in the Moreland cafetorium, 4335 Payne Ave.

An Honorary Life Membership will be given to an individual who has served children in an outstanding way.

The fourth grade glee club, directed by Mrs. M. Done, will provide the evening's entertainment.

Cougars Corner

by Alan Carmain

SPANISH CLUB LENDS HELPING HAND

by Jim Schovanec

The Spanish Club, supervised by Mrs. Margaret Guy, is sponsoring Elean Morales Diaz. She is twelve years old and is in the fourth grade.

Elean and her family live in Mexico. Her parents wanted their daughter to attend school, but they could not afford it on her father's income without some form of help.

Through car washes, football concessions and other money raising activities, the club collects and sends the $12 needed to keep Elean in school each month.

She will be attending the Leon Hogar Escuela Calvario located in Leon, Mexico. There, girls follow a course of study that may lead to a career in the teaching, nursing or social service fields.

Sewing, knitting, weaving, embroidery and other crafts are also taught.

The Spanish Club plans on sponsoring this child until June through the summer, if club funds hold out.

If there are insufficient funds, Mrs. Guy herself plans to send money to keep her in school during the summer.

FALCONS SCRATCH COUGARS

by Alan Carmain

Camden's varsity soccer team started the game on home ground against Saratoga with forward Rick Dodge scoring a beautiful feed from forward Jeff Sheets in the Cougar's first score of the game which gave Camden a lead of 1-0 over the Falcons.

This was the first and last time Camden was ahead in the game. Saratoga rallied with a shot good to tie it all up at half time, 1-1.

Both teams were fighting not only their opponents, but also the wind that was blowing that day. The wind was very apparent whenever the goalie or a forward kicked the ball, and was also a factor in corner kicks.

As the game rolled on into the third quarter Saratoga hit for another score which gave them a leading point, 1-2 over the Cougars.

The Cougars could not get a scoring attack going in the fourth quarter. However, the Cougars scored on a hands penalty call against Saratoga, which was kicked by forward Wes Toland.

This was short-lived, however, as the Saratoga Falcons rallied with a shot that ended the game 2-3.

The J.V. soccer team didn't have much luck that day either as they lost to a score of 0-5.

COUGARS GO DOWN FIGHTING

As Camden entered the meet against Los Gatos last Tuesday, Jan. 18, Camden's varsity wrestling team was 3-0 and the J.V. team was 0-1-1 in the league standings.

These standings changed when they met the hard fighting Los Gatos Cats on home territory. The meet resulted in a loss of 18-40 for the J.V. team and 23-32, for the varsity team's first league loss.

One of the exciting matches for the varsity team was the win of Berry Underwood, who pinned his man in the last few seconds of the match.

Jeff Cunningham downed his opponent four seconds before the buzzer went off to end the first period of wrestling, and Robbie Evans won after 31 seconds passed in the second period.

Other winning wrestlers were Ronie Noda, Dan Durbin and Tino Rodriguez, who battled to a 2-2 draw with his opponent.

CHESSNUTS STOPPED

by Chris Rodgers

A sudden end to Camden's six game winning streak came as the number one Chessmen of Camden (6-2) battled Blackford (5-3).

The first time Camden played Blackford, Blackford failed to show up.

Camden took this as a forfeit. Blackford claims that due to advisor's schedule, they were unable to attend the tournament, so they have requested a rematch.

Blackford would have nothing to lose in such a rematch and the trophy to win.

If the forfeit holds up, Camden will still be in first place with a 6-2 record over Blackford's 5-3.

Camden's winning boards were Chris Rodgers, #6, Rich Sarsfield #2 and John Stenzle #7. The unfortunate were Jim Schovanic, #3, Larry Kondo #5, Bill Slough #1 and Pete Pyper #4.

Camden must win its last two tournaments against Campbell and Del Mar to avoid a four-way tie for first place.

PENALTY KICK — Wes Toland, #45, boosted the lagging score of the Camden soccer team with a penalty kick in the fourth quarter of the recent game between the Cougars and the Saratoga Falcons. The penalty against Saratoga created a 2-2 draw which the Falcons broke in the game's final shot, winning 3-2.

Campbell Capers

by Jeanie Harris and Doreen Henner

The faculty of Campbell High School will play the KLIV Prunes in a basketball game on Wednesday, Jan. 26, at 7:30 p.m. in the boys gym. KLIV's featured players are: John Bettencourt, John McLeod, and Bud Ogden (of the Philadelphia 76'ers.)

Campbell's starting line-up will be; Robert Capitolo, Mike Spitzer, Al Williams, Steve Bertizoff, and Al Hilton. Admission is 50¢ with student body cards, and $1.00 without.

Campbell's Varsity Bucs came out on top Tuesday, Jan. 18, when they played the Leigh Longhorns on our court. John Parisi, (who is only 5'8") held off two giant Longhorns with his fancy footwork to enable Dave Bush and Dan Takacs to score 25 and 20 points, respectively, while scoring 14 points himself. Steve Davis added 13 points, and the final score was 75-66.

In the game against Saratoga on Friday, Jan. 21, Parisi again came through, leading the team with 20 points. His great efforts, along with Steve Davis' 13 points and Dan Takacs' 10, proved to be not enough. Even though the Bucs were leading throughout most of the game, Saratoga came back in the final quarter to win with a score of 59-57.

The Frosh-Soph Buccaneers won their game against Leigh with a score of 52-41, but lost to Saratoga on Friday, with a score of 43-33.

Moreland LL to sign

Moreland District Little League will be taking sign-ups on Saturday, January 29 and Saturday, February 5 between 10:00 a.m. and 4:00 p.m. in the multi-purpose room at Payne Elementary School.

Any boy living in the district who has attained the age of 8 before August 1, 1972 and has not attained the age of 16 before August 1, 1972 will be eligible.

There will be a sign-up donation of $8.00 ($10.00 for Senior League), with a maximum of $20.00 per family.

All boys must be accompanied by a parent and have with them a certified birth certificate.

GARDEN CLUB

A salad luncheon and fashion show will be held by the Santa Clara Valley District Garden Club at noon, February 4 in St. Lucy's Annex, 2350 Winchester Blvd.

Lee Aversente is chairman for the luncheon and Mrs. Jack Lindquist is chairman for door prizes. For reservations phone Mrs. Louis Marotti at 378-6374.

Pacific Telephone expansion is largest utility outlay

Construction projects costing some $29,034,000 are slated for the Campbell-San Jose area by Pacific Telephone during 1972, according to local manager Jim Bower.

Bower said the amount is part of PT&T's $888 million communications construction program in California this year. It is the largest dollar outlay of any utility in the state in a single year.

Major project serving Campbell include:

--$378,000 at 1615 Foxworthy Rd., central office serving portions of Campbell; $233,000 for 9,500 new lines for growth and $145,000 for more trunks between that office and others; $60,000 for more directory assistance positions; $85,000 for undergrounding lines from that central office.

--$367,000 for conduit and cable south on Monterey Highway, handling Campbell calling to that area.

--$2.1 million at the 6245 Dial Way central office for general service improvements, trunks, switching equipment, and various underground reinforcement cable and conduit jobs for Campbell area exchange growth.

--$3,426,000 total for various undergrounding projects in the San Jose exchange area, including Campbell.

The remaining dollars will be used for the purchase and installation of conduit, cables, switchboards, telephones and hundreds of other items needed to meet current and projected demands for service and to provide a first-class communications system in Campbell and the area.

The number of telephones in San Jose-Campbell area has increased during 1971 from 388,956 to 415,000. An additional 26,600 telephones are expected to be installed locally this year.

Bower said Pacific Telephones 5,125 employees in the entire area earned some $64.1 million in 1971 wages--a record amount.

"Providing good services demands this unprecedented construction program statewide," he said, "despite the fact that Pacific Telephone's 1971 earnings have not kept up with increased costs."

Bower said PT&T's 1972 statewide construction program is about $77 million more than was spent on a similar program last year.
